Secret Temper, Cross-Cut Saw

WE take pleasure in offering to the public a Saw manufactured of the finest quality of steel and a temper which toughens and refines the steel, gives a keener cutting edge and holds it longer than by any process known. A saw, to cut fast, must hold a keen cutting edge.

This secret process of temper is known and used only by ourselves. These saws are elliptic ground thin back, requiring less set than any Saws now made, perfect taper from tooth to back.

Now, we ask you, when you go to buy a Saw, to ask for the Maple Leaf, Razor Steel, Secret Temper Saw, and if you are told that some other Saw is as good, ask your merchant to let you take them both home and try them, and keep the one you like best.

Silver Steel is no longer a guarantee of quality, as some of the poorest steel made is now branded silver steel. We have the sole right for the "Razor Steel" brand.

It does not pay to buy a Saw for one dollar less and lose 25c. per day in labor. Your Saw must hold a keen edge to do a large day's work. Thousands of these Saws are shipped to the United States and sold at a higher price than the best American Saws.

A Lump Jaw Certainty...

There's no use wasting words, Fleming's Lump Jaw Cure does positively cure. It has been used for years all over the continent. It is used and endorsed by leading stockmen everywhere. Our guarantee is positive and definite: the remedy must cure, or you get your money back.

Farmhamville, Iowa, June 11th, 1900.

Fleming Bros. Messrs.—I got out druggist to send for a bottle of your Lump Jaw Cure. I applied it twice to one case, that had not been opened. That case is now well. I applied it three times to a case that had been opened, and that looked like a big red wart, which is now well. These were not on the bone, but on the neck just back of the jaw. I think your cure a heroic remedy. Yours truly,

W. W. WILES.

Price 50¢ per bottle, or three bottles for \$1.50. If not sold by your druggist we send by mail prepaid. Let us send you our illustrated pamphlet FREE to readers of this paper.
