those proofs which are conclusive and convin-
cing. They may be seen at length as below.

HEADACHE.

DR. E. SPOHN, a German physician of
much note, having devoted his attention
for some years to the cure and removal of the
causes of NERVOUS AND SICK HEAD-
ACHE, has the satisfaction to make known,
that he has a remedy which by removing the
causes cures effectually and permanently this
distressing complaint. There are many fami-
lies who have considered Sick Headache a
constitutional incurable family complaint. Dr.
S. assures them that they are mistaken, and la-
bouring under distress which they might not
only alleviate, but actually eradicate by the
use of his remedy. It is the result of scientific
research, and is entirely of a different charac-
ter from advertised patent medicine, and is not
wappesent to the taste. To be had of

THE favorable opinion I formerly enter-
tained of the waters of the Caledonia
Springs is more than confirmed, as well
from the benefits personally derived from their
use, as from what I observed of their effects on
others. The water should be drank in mod-
erate quantities before breakfast, and persevered
in for some weeks at least.
