you get the best that money can buy. Made by graduate workmen, trained to their tasks and skilled in Scientific Refining. For this reason En-ar-co brands, for nearly forty years, have enjoyed a reputation for dependability.

## En-ar-co National Motor Oil For Automobiles and Tractors

An oil of the right body to protect the moving parts with a soft, velvety cushion or film, strong and tenacious, so as to permit that necessary smooth movement of the motor to develop its greatest strength and power.

### En-ar-co National Motor Oil

goes through a Scientific Refining process, wherein it is distilled many times, vaporized and filtered until a clear, clean oil, containing no free carbon, is produced. An oil that will prolong the life of your motor, giving it increased power and save, in cold cash, many times its cost in preventing lubrication trouble.

### National Light Oil

The most economical fuel for oil-burning tractors. Best for lamps, insuring a bright, clear light without charred wick or sooted chimney. No soot or smell when used in oil stoves. Its uniform heat makes it most desirable for incubators, as it emits no fumes to clog eggs shell pores or kill live chicks in the brooder. Buy it by the barrel.

### Black Beauty Axle Grease

for the wagon. Insures a friction-free axle, as it contains no compounds to clog and gum.
