THE "BELL" ORGAN

The following is what MR. HAGUE says about the "BELL" ORGAN:

To J. Hecher, Esq., Agent for Bell's Celebrated Organs at Montreal.

Dear Sir,—In handing your cheque in payment for the Bell Cabinet Organ I purchased from you, I cannot but say that the instrument is of a style and quality which I did not suppose capable of being produced in Canada, the tone is pure, rich and deep, and the effects that can be produced by combination of the stops are charming.

Messrs. Bell & Co are to be congratulated on their success in developing the manufacture to such an extent as is manifest in the instrument you have sent me.

Wishing them large and remunerative sales, I remain yours truly,

Signed, **G. HAGUE,**
