MISSOURI COLLEGE OF AGRICULTURE,
Columbia, Mo., Oct. 30, 1901.

The machine (U.S.) did excellent work, and, as a rule, I believe it skimmed a little closer than the others we had in use. The record was invariably .02 of 1 per cent. or lower, sometimes a mere trace of fat in the skimmilk.

C. L. WILLOUGHBY,
Instructor.

ILLINOIS COLLEGE OF AGRICULTURE,
Urbana, Ill., June 29, 1901.

Enclosed find records of work done with your 3 cream separators (U.S.) at the Dairy School. These are very creditable records, and we think any cream separator company can feel proud of them. Your machines have not given us the slightest trouble during the semester.

OSCAR ERF,
Prof. Dairy Husbandry.

RECORD AT THE PAN-AMERICAN MODEL DAIRY

DeLaval average skimmilk test	.0172	buttermilk test	.121
United States	.0138		.109
Gain of U.S. over DeLaval	.0034		.012

The above shows that the DeLaval Separator left 25 per cent. more butter fat in the skimmilk than the United States. An immense waste that amounts to a very large sum of money upon the dairy products of the world. Enough to pay for a United States Separator to replace every DeLaval Separator now in use.

PROF. SPILLMAN, Director Washington Experiment Station, in *Ranch and Range*, Seattle, Aug. 15, 1901, reports the following tests of skimmilk from dairymen using the U. S. Separator:

SAVE ONE HALF YOUR FUEL.
THE WINNIPEG HEATER
Will do this.

I placed a Winnipeg Heater in my dining-room, which is 20 x 22 ft. It was connected with the kitchen stove, the waste heat from which heated my large dining-room perfectly, and kept it up to any temperature desired. We are exceedingly well pleased with the Heater. I consider it a great economizer of fuel.

I Will Cure You of
Rheumatism

No pay until you know it.

After 2,000 experiments, I have learned how to cure rheumatism. Not to turn bony joints into flesh again; that is impossible. But I can cure the disease always, at any stage, and forever.

I ask for no money. Simply write me a postal and I will send you an order on your nearest druggist for six bottles of Dr. Shoop's Rheumatic Cure, for every druggist keeps it. Use it for a month, and if it does what I claim, pay your druggist \$5.50 for it. If it doesn't, I will pay him myself.

I have no samples. Any medicine that can affect Rheumatism with but a few doses must be drugged to the verge of danger. I use no such drugs. It is folly to take them. You must get the disease out of the blood.

My remedy does that, even in the most difficult, obstinate cases. No matter how impossible this seems to you, I know it and I take the risk. I have cured tens of thousands of cases in this way, and my records show that 39 out of 40 who get those six bottles pay, and pay gladly. I have learned that people in general are honest with a physician who cures them. That is all I ask. If I fail I don't expect a penny from you.

Simply write me a postal card or letter. Let me send you an order for the medicine. Take it for a month, for it won't harm you anyway. If it cures, pay \$5.50. I leave that entirely to you. I will mail you a book that tells how I do it.

Simply state which book you want and name of your dealer, and address:
Dr. SHOOP, Box 62,
Racine, Wis.

Book No. 1, on Dyspepsia.
Book No. 2, on the Heart.
Book No. 3, on the Kidneys.
Book No. 4, for Women.
Book No. 5, for Men (sealed).
Book No. 6, on Rheumatism.
