INSTRUCTIONS AS TO REMITTING MONIES.—
 1.—Post Office Orders are always safe, and not very costly. Next to these, is the security of registering letters. Money sent otherwise is at the risk of the sender.
 2.—When sending money for subscribers, say whether old or new, and if new, write out their Post Office addresses, plainly.
 3.—See that your remittances are duly acknowledged. A delay of one or two weeks may be caused by the business of this office. After that enquire, if they do not appear.

WHEN you are making your plans for keeping the Sabbath day, do not leave out the committing to memory and reciting of psalms and hymns, in your household. We mean especially the great psalms of David, and the others that are like them in grandeur and strength, sweetness and spirit. The reciting them on the Sabbath is a befitting and pleasing exercise. And they make in themselves a noble furnishing for the minds of children and of persons of every age. And if they are kept much in our thoughts, they may shed somewhat of the light of heaven, and the blessedness of God, not only over the Sabbath days, but upon all the other days of our lives.

"There is always room at the top." CLARKE'S NEW METHOD FOR THE PIANO FORTE, is the leading book for teacher and student; such is the opinion of the thousands of eminent teachers who have adopted the work. Sent by mail for \$3.75 Lee & Walker, Publishers, Philadelphia

VEGETABLE

PULMONEY BAL SAM.

THIS standard remedy for coughs and colds and other pulmonary and bronchial ailments, was first put before the public in 1826 and ever since then, a period of half a century it has maintained and increased its reputation. In the meantime, probably thousands of the so-called cough remedies, under every conceivable name, have appeared, been puffed, had their day and most of them sank into the oblivion from which they never should have emerged to cheat invalids with false hopes of cure.

Though no infallible virtues are claimed for this medicine, it is but just to say that it possesses the following excellencies:—

1. On many cases of cough it exerts an almost specific remedial influence, and the cases are very few which it quite fails to benefit. Long standing cases and those of aged persons are almost always greatly relieved.
2. Its action is speedy and pleasant; its taste is not disagreeable; and its dose is small. The last point is sure to be appreciated by the invalid.
3. It has received medical sanction, and has been frequently prescribed by some of our leading physicians.

Add to the above that, when the smallness of its dose is considered, it is even cheaper than the common 25 cent Cough Drops and Syrups, of the Druggists.

This remedy has held its way and attained its present reputation by its own merit, with little aid from advertising. It has an established sale, and those who know it will always use it when they need such aid.

Behold our climate remains what it is, the army of sufferers from throat and lung complaints will always be a large one, and continually reinforced by new recruits. That all such may be acquainted with this reliable medicine is the aim of this advertisement.

Price 50 cents and \$1.00 per bottle.

A Life Study—what is it?
 A remarkable, curious, wonderful, interesting, and beautiful Photograph of Fifty Babies called "INFANTRY."
 Taken from life, and exhibiting almost every phase of character and expression of countenance.

SAMPLE NOTICES.—We have received from Mr. C. W. Coates, of the Montreal Book Room, a handsome picture, which he has just published, entitled "Infantry." It is made up of a splendid array of photographs of babies. We have babies fat and babies thin; babies laughing and babies crying; babies smiling and babies frowning. This picture will be quite a domestic favorite, especially with those who have babies of their own.—*Christian Guardian.*

"The group represents five rows of infants, ten deep. They are of all kinds, large and small, fat and thin; and medium; laughing, crying, winking, thinking, scolding, crowing, peeping, frowning, bathing, scratching their heads, and sucking their fingers; and in every case the expression of features has been caught by the photographic instrument at the very best time. This picture is recommended to the notice of the Bachelors' Society."—*Montreal Witness.*

Framing size, 14 x 18 inches. Price, \$1.50. Colored, \$2.00. A liberal discount allowed to Canvasers and the trade. A sample copy will be sent to any address, free of expense, on receipt of the price. Call and see it at the METHODIST BOOK ROOM, GRANVILLE STREET, HALIFAX.
