STRANGE BUT TRUE. THE ONLY SURE CURE FOR DROPSY

READ THE FOLLOWING Messrs. C. GATES & Do.,

Cotson's Point, Nov. 20, 1881. Gentlemen-I should have written to you before, but neglected to do so. I feel it my duty to send you the following information from gratitude to you and the benefit of those suffering as I was. About five years ago I was greatly afflicted with Rheumatism and Dropsy; my legs were swollen to an enormons size; I could not even get from my bed without the aid of my wife for several days at a time. I tried all kinds of patent medicines, and a number of bottles of Dr. Thomas' Electric Oil, and also Johnson's Liniment, but found myself worse. I applied to several doctors, from whom I received no benefit. In the following summer I went to Halifax, to the Provincial Hospital, and lay under the doctors' treatment for eight weeks. I had my legs tapped twice and blistered several times. I suffered day and night—everything but death. I then left that institution and returned home; having received little or no benefit, and expecting ne er to get any better. I was then advised by a friend to resort to your valuable medicine, No. 1 Syrup and No. 2, and No. 3. Bitters, with a box of Nerve Ointment and Vegeta ble Plaster. The first few bottles I used I did not feel much better, but when I had taken six bottles the swelling was going down in my legs, and my whole system began to feel better. feel better. In all I used but twelve bottles, and I am now enjoying the best of health. I am thankful to God that he made your me-
