s. Enchantment the religious dance, and moral degradation are not yet mere characteristics of former paganism. But two days ago 1 heard the drum and accompanying noises in behalf of a sick boy who was in a dangerous condition. For this supposed efficacious ceremony the invalid's father parted with a horse to satisfy the claims of the pietender. But a few weeks since some of our number went north to participate in the superstitious per-

formances of the thirst dance. Indian civilization under Government agents is slow; the progress of mission work is not rapid; while many ask if the end in view can ever be accomplished. It would be a libel upon Christian civilization to retreat in despair.
