**THE SITUATION**  
The French just now are figuring most prominently in the western operations. It is a class of fighting which suits their temperaments, much more than trench warfare, excellent though they have proved at that, and in addition the recent wanton devastation of French territory has imparted an added spur. They have recently occupied territory on a front extending over two and a half miles, and in addition have taken two of the important fortified defences on the Hindenburg line. The British also still continue to push forward, but to a less marked extent.

Stewart Lyon, the Canadian press representative now at the front, reports that the best of the German divisions are opposed to the men from the Dominion, a fact which serves to demonstrate that the enemy have learned to appreciate their fighting ability. He states that the boys of the maple leaf have come through the trying experience of a winter in the trenches remarkably well.

The position of affairs with regard to Russia cannot be said to be any too reassuring. The Germans are preparing for an attack on the eastern front, with Hindenburg's pet idea of getting to Petrograd as the undoubted objective. That the foe is quite evident, and it is just as clearly apparent that they hope to take advantage of the internal troubles which are sure to exist until matters settle down again. The difficulty seems to be that with the overthrow of the Czar a certain element of the population are prone to consider that all authority has ceased, and Hun emissaries will not be slow to fan the flame. The outlook does not yet present alarming characteristics, but it is safe to be prepared for overt incidents.

**MOTOR TRACTION FOR FIRE DEPARTMENTS**

The present marvelous development of motor traction is a matter of general comment, yet there is no reason to doubt that the thing is still only in its infancy, robust though that undoubtedly is.

Reliability is becoming more and more assured, and in no quarter has a recognition of that fact become more marked than in connection with the fire departments of this continent. In this regard the "Fireman's Herald" of New York reports the result of a recent census of American and Canadian fire departments together with possible purchases during 1917.

This year's enumeration includes the cities of 5,000 population and over. Of these cities the fire chiefs of 890 have responded to requests for information.

The rapid elimination of the horse-drawn apparatus from the service is strikingly shown by a comparison between this year's census and that of 1914. In that year 315 cities were represented with 7,059 fire vehicles pulled by Dobbin. This year nearly three times that number of departments, including the original 315, are entered, and yet the number of horse-drawn pieces of apparatus in service and reserve is less than 1,725.

The fate that has befallen horse-drawn apparatus in the fire service is again shown by this year's census of possible purchasers. Of the automobiles, 1,045 are listed, while of the horse-drawn the total stands at 18, of which 8 are listed from Canadian cities. When it is considered that for obvious reasons the enumeration of possible purchasers is not so far as motor apparatus is concerned, while the departments that are condemned to horse-drawn vehicles are not likely to increase their purchases, it is plain that in a year or two future purchases will not mention the horse at all.

The additions to be made this year, chemical and hose cars are again to the fore with 245. Pumping engines and combination pumps and hose carriers show a growing strength with a total of 202, triple combinations, 147; hose cars, 36; chemicals, 23; aerial and service trucks and water towers, 156; tractors, 150; other automobiles, 86.

**NOTES AND COMMENTS**  
Spring has sprung.  
The Grand River has been making its annual run on the banks, but they stand the strain better than they used to do.

Pretty warm, but Miss Spring had better wait awhile before she attempts to go out arrayed in a few pale blossoms.

Brantford needs to look alive with reference to the attempt to divert the proposed Provincial main road from coming through its natural district, which would include this city. With the constantly increasing motor haulage, such a highway is of the greatest importance. It is understood to be the government idea to have plans proposed and route settled on that the men can be turned on the work during the falling off in labor after the war. Municipalities will also have to aid financially.

**AN ATTACK ON BLONDIN**  
The Courier is puffed because the Expositor is not as enthusiastic as it appears to be over the action of Hon. Mr. Blondin, the Nationalist postmaster-general of Canada.—Expositor.

Now, don't misrepresent. The Courier did not expect its cotem to enthuse, or do justice with regard to a political opponent, because the organ has never yet manifested any symptoms of fair play in such regard.

What this paper did do was to administer a needed rebuke to the Expositor for making cheap sneers at Blondin for wanting to serve the Empire.

In this respect the organ took occasion to refer to some of his former utterances regarding British connection. As an answer The Courier quoted several instances in which Sir Wilfrid Laurier had used far more extreme language.

As an offset to that, The Expositor pleads among other things: "To Sir Wilfrid Laurier's credit stands the sending of no less than three Canadian contingents to South Africa during the rebellion there."

The indisputable fact is that he was forced into it by public opinion, led by the late Sir Charles Tupper.

All the other overseas Dominions had offered assistance—except Canada.

Laurier in attempted explanation gave an interview to the Toronto Globe in which he said:

"There is no menace to Canada, and although we may be willing to contribute troops, I do not see how we can do so. Then again, how could we do so without Canada granting us the money? We simply could not do anything. In other words we should have to summon parliament. The Government of Canada is restricted in its powers. It is responsible to Parliament and can do very little without the permission of Parliament. There is no doubt as to the attitude of the Government on all questions that mean menace to British interests, but in this case our limitations are very clearly defined. And so it is that we have not offered a Canadian contingent to the home authorities."

As before related it was only when public feeling over the apathy became overwhelmingly strong that he took any step.

It will thus be seen that The Expositor would have shown far greater wisdom if it had left Laurier's course regarding South Africa severely alone.

**ACTIVITIES OF THE 215th**

The 215th Battalion, under the supervision of Major Joyce, were this morning engaged in section, platoon and company drill in Agricultural Park. The fine Spring weather evidently stimulated the men to brisk action, for they carried out the manoeuvres in veteran style.

Pte. W. K. Spence, of the orderly room, has been transferred to "Casualties" with a month's furlough pending arrangements for a pension. Pte. Spence had the misfortune to break his leg while at camp last summer.

Another recruit was signed up on Saturday, Charles Abraham Lambert, of Wainfleet, Ontario. He is a farmer, aged twenty-three years of age. The members of the battalion attended divine service at St. John's Anglican Church on Sunday.

In the orders issued this morning, attention was brought to the fact that some men have been tampering with the band instruments. Notice was given that this practice must cease.

**STORY HOUR**

The story hour at the public library, tomorrow promises to be particularly attractive and interesting, especially to those children who are music lovers, for the story of Stradivarius, the whittler of Cremona, whose violins are today famous, will be related, from "Boyhood Stories of Famous Men," by Katherine Dunlap Gathers. On Thursday afternoon "The Eastern Wonderland," a story of Japan written by a Japanese educated in England, will be told.

Mr. John Rumley, who is leaving this week for Port Huron, where he has secured a splendid position, was remembered by his old associates at the close of work by receiving a handsome club bag, and also one for Mrs. Rumley. Mr. Rumley has sold his house to Mr. J. Pryne, who will soon take possession, and on Saturday the household effects were sold.

Pte. Henry Clarke, West River, of the 215th Battalion, is home on his last leave before going overseas.

The death took place in Detroit on Friday of Margaret Maher, relict of the late Thomas Craig. He was 72 years of age. Her late husband was a member of the Paris Rifle Company, and was the first military funeral held in Paris, some forty years ago. The remains were brought to Paris and the funeral will take place this afternoon from the residence of his son-in-law, Mr. John Kempthorne, Walnut street.

Rev. Mr. Soffley of Terrace Hill church, Brantford, preached an eloquent sermon in St. James last evening, taking for his text Psalm 95, 1st verse: "O come, let us sing unto the Lord, let us heartily rejoice in the strength of our salvation." The pastor, Rev. Mr. Adamson, was in Brantford.

The Methodist congregation met in their church yesterday, after having services for the past few months in the Sunday school, on account of the scarcity of coal. Rev. Mr. Wells conducted both services, and in the evening spoke on "Russia." Mrs. Volk rendered a solo very feelingly.

Miss Vera Ferguson's many friends will regret to hear that she is lying seriously from inflammatory rheumatism.

Woman's Guild of St. James' Church Held Successful Event

**OTHER NEWS OF PARIS**  
Mrs. Thos. Craig Passes Away in Detroit

From Our Own Correspondent  
Paris, March 26.  
On Saturday afternoon the Woman's Guild of St. James church held a successful talent tea and home-made cooking sale at the residence of the president, Mrs. Charles Tate, William street. Little Miss Helen Thos. and Isabella Simard were two charming little girls at the door, while Mrs. Tate received the guests, assisted by Mrs. Fern. The guests were shown to the tea room by Mrs. Geo. Tate, which made a pretty appearance with daffodils and delicate decorations. Mrs. E. Pitta and Mrs. G. Featherstone poured the coffee. Mrs. J. H. Fisher, Mrs. Stewart Jones assisted in the tea room. The home-made cooking booth was ably looked after by Mrs. Arthur Clark and Mrs. Fisher. While Mrs. McComb had charge of the apron booth. Others assisting were Mrs. J. Kibble, Mrs. Ed. Hayden, Misses Potts and Featherstone. Throughout the afternoon sweet music was given on the Edison disc by Mrs. Joe Bell. A good sum was realized and will be devoted to church expenses.

On Friday evening the 122nd Forestry Battalion of Muskoka, which have been at Galt during the winter months, held a recruiting meeting in the fire hall. Mayor C. B. Robinson acted as chairman, and throughout the evening the 122nd band rendered excellent music. Addresses were given by Major Tisdale, Captain Marshall of the 122nd Battalion, Lieut.-Col. Gant, Magistrate Blake of Galt and Mr. J. H. Fisher, M. P. On account of the disagreeable weather that evening the attendance was not very good. The hall was packed in which they have tried for recruits and got none.

The Paris Maple Leaf Patriotic Club had a very busy afternoon on Saturday packing boxes to be sent overseas to all the Paris boys. The first lot will be sent to the boys in the trenches, then to those in England, and comfort bags to the boys in the hospital. The club desires all the names of Paris men who have gone overseas, so that none may be forgotten.

Mrs. John Pratt is again in the hospital at Toronto, Mrs. George Holden accompanied her there on Friday.

Rev. J. C. Fraser, M.A., of Uxbridge, will preach at St. Paul's next Sunday.

**Military Matters.**  
Pte. Fred. Price, son of Mr. Day-ton Price, of Port Rowan, and brother of Pte. Chas. Price of the former 133rd, enlisted at Windsor in January 1916. He went overseas in May, was in the trenches in two weeks and was slightly wounded in June, and again seriously, in the shoulder in September. He reached Toronto with the right arm hanging powerless, but has some hope of regaining muscular control. Pte. Price visited recently at the home of Mrs. Franklin, Lynnwood Ave., and is expected back to the county for Easter. He was an excellent penman and his friends will rejoice

with him in the event of the ultimate recovery from his disability. Pte. Price suffered also from gas.

Pte. George Blake, formerly a corporal of the former 133rd, and son of Sergt. Shoemaker, Geo. Baker of the same unit, has been reported to his mother on West street, as wounded. Mrs. Blake received a trench letter from him shortly after the cable came to hand.

Pte. F. M. Ball, reported some weeks ago as "wounded," and now reported "died," did not enlist here. He was a son of Mrs. John Garland, of Simcoe, by her first husband. This name has been mistaken for that of formerly Corporal Gordon Stanley Ball, of the former 133rd, and son of Mr. Wm. Ball of Market street. He was working with

the M.C.R. out of St. Thomas when he enlisted, and had been ill for some time in England.

Mr. Bush, violinist, played at St. Paul's yesterday morning, and at Trinity in the evening. Miss Carr, as soloist at Trinity, sang in splendid voice. The "extras" were highly appreciated by both congregations.

**Tenders For Supplies**  
Tenders for bread and for beef of good quality, minus neck ends, for the House of Refuge for the coming year, will be received up to noon on Friday, March 30. Address tenders to John A. Houlding, 22 Dalhousie St., City, Secretary.

with him in the event of the ultimate recovery from his disability. Pte. Price suffered also from gas.

Pte. George Blake, formerly a corporal of the former 133rd, and son of Sergt. Shoemaker, Geo. Baker of the same unit, has been reported to his mother on West street, as wounded. Mrs. Blake received a trench letter from him shortly after the cable came to hand.

Pte. F. M. Ball, reported some weeks ago as "wounded," and now reported "died," did not enlist here. He was a son of Mrs. John Garland, of Simcoe, by her first husband. This name has been mistaken for that of formerly Corporal Gordon Stanley Ball, of the former 133rd, and son of Mr. Wm. Ball of Market street. He was working with

the M.C.R. out of St. Thomas when he enlisted, and had been ill for some time in England.

Mr. Bush, violinist, played at St. Paul's yesterday morning, and at Trinity in the evening. Miss Carr, as soloist at Trinity, sang in splendid voice. The "extras" were highly appreciated by both congregations.

The Sensible Six makes an instant appeal to those sane level-headed motorists who are quick to appreciate real motor car value.

They recognize in this car an unusual combination of strength with light weight, six cylinder smoothness, comfort, style and economy.

The valve-in-head motor delivers full 41 h.p. at 2500 r. p. m.—1 h. p. for every 53 pounds of car weight.

The big over-size tires—32x4, Long, semi-elliptic springs, 61 inches in rear, and 112 inches wheel base, all make the Sensible Six one of the most comfortable and easy riding cars of its size ever built.

We are now in a position to give auto owners the services of a modern up-to-date Garage. We make a specialty of all repair work.
