JUSTIFIES CANADIANS' FEELING AT TREATMENT BY BRITAIN

London Express Criticises Government Over Kinmel Troubles.

London, Cable.—(By C. A. P.)—The Daily Express, in its main editorial to-day, says that a most unfortunate state of feeling has arisen among the Canadians, owing to the view they take of their recent treatment by the British Government and the British press. They say that while British military troubles here and in France were minimized, the Canadian camp disturbance was given full publicity. "We would point out," says the Express, "that this is only true of what happened in France. There the censor simply stopped the news crossing the Channel, but what happened at Folkestone or Victoria Station and at Bow Street on Sunday was fully reported. None the less, it is true that the blame attaching perhaps to six hundred Canadians was placed on 19,000 completely innocent men, and that one or two comments were foolish and unsympathetic. The Canadians are human. What they resent is that censure attached to them ought really to fall on our own shipping controller. He upset the Canadian military authorities." The feeling is that the British Government is giving to Americans facilities which it is withholding from Dominion troops. "We need hardly point out," the Express concludes, "that this is a most serious state of affairs. It is up to the Government to put it right instantly."

HUMAN FLESH ON SALE IN MOSCOW

Washington, Special Report.—Human flesh is reported to have been sold by Chinese soldiers in Moscow for food. The Chinese, imported by Bolshevik leaders, are reported under arrest on this charge.

This startling information reached the State Department to-day through channels not disclosed by officials.

These advices picture the food and economic situation as frightful.

Sugar is quoted in Moscow at 20 rubles a pound, dog meat at 7 rubles, and horse flesh at 21 rubles a pound. In Petrograd the streets are practically deserted, a large number of the schools closed, and the only persons seen on the streets are soldiers and people begging bread. With the death rate, chiefly from typhoid and smallpox, approximately 4,000 daily, facilities are lacking for the burial of the dead.

Hard and soft corns both yield to Holloway's Corn Cure, which is entirely safe to use, and certain and satisfactory in its action.

GERMAN AIDED REVOLT PLOT

Uncovered by the Authorities in Prague

Where Famine Threatens Bolshevism.

Prague, Cable.—The food situation is very terrible indeed, and the non-arrival of food from Trieste is precipitating a most dangerous crisis. Great masses of people are facing absolute starvation, although the rich by the liberal use of money can obtain plenty.

The kroner (the unit of currency, worth normally approximately 20 cents) has depreciated to one-quarter its pre-war value. The population shows now the easily recognized Central European pallor, due to the lack of fat in its diet. The universal opinion here is that if relief does not arrive soon, Bolshevism will break loose. The day before yesterday a plot was uncovered, showing that the German-Austrian and Hungarians have earned nothing by the war. The German Consul here was caught trying to send documents by courier, which contained the full-fledged plans for engineering a Bolshevik uprising with the help of German-Austrian and Czech troops. A number of prominent Germans have been arrested as a consequence, and the one or two remaining German language newspapers in Bohemia have been suppressed.

He's One of Many Satisfied Customers

WHO HAVE FOUND RELIEF IN DODD'S KIDNEY PILLS.

Muskoka Man Tells How After Four Months' Illness He Found the Remedy for All His Ailments.

Larchwood, Algoma, Ont., March 17th.—(Special)—"Dodd's Kidney Pills did me good and I want everybody to know it." So says Mr. Cyrus Correll, a well-known farmer living near here.

"I was sick for four months," Mr. Correll continued, "My trouble started from a combined cold and strain. I suffered from neuralgia, and had pains in my back. I was often dizzy. My sleep was broken and unrefreshing. I was tired and nervous and I had a nasty taste in my mouth in the morning. I was depressed and low spirited, I felt heavy and sleepy after meals, and there was a heavy dragging sensation across the loins.

"I didn't bother with the doctor. I had Dodd's Almanac by me, and I sent right off for two boxes of Dodd's Kidney Pills.

"Before I had taken a half a box I began to feel better. Now I want everybody to know how good I feel, and that Dodd's Kidney Pills did it."

Mr. Correll's symptoms are all symptoms of kidney trouble. He struck right at the root of the trouble by treating the kidneys with Dodd's Kidney Pills. That's why he got such good results, and got them so quick.

Dodd's Kidney Pills have a national reputation as a kidney remedy. Ask your neighbors about them.

CAUSE OF "FLU."

Pfeiffer Bacillus is Blamed for Epidemic.

London cable.—A statement made yesterday by one of the leading London bacteriologists, says the medical correspondent of the Daily Mail, indicates that the cause of the present influenza epidemic has been discovered. Investigators have had exceptional opportunities of studying the disease in the large general hospital of London, which has set aside a whole ward for influenza cases. "I have no doubt whatever," said the bacteriologist, "that influenza is due to the Pfeiffer bacillus. With improvement of technique, I found this organism in two per cent. of cases. My experience is confirmed by others."

Pfeiffer bacillus was discovered by a German of the name of Pfeiffer as far back as 1892.

Cause of Asthma. No one can say with certainty exactly what causes the establishing of asthmatic conditions. Dust from the streets, from flowers, from grain and various other irritants may set up a trouble impossible to irradiate except through a sure preparation such as Dr. J. D. Kellogg's Asthma Remedy. Uncertainty may exist as to cause, but there can be no uncertainty regarding a remedy which has freed a generation of asthmatic victims from this scourge of the bronchial tube. It is sold everywhere.

First-Known Envelope.

The first envelope of which there is any knowledge enclosed a letter sent in 1696, by Sir William Turnbull to Sir James Ogilvie. The epistle, with its coverings, is still preserved in the British museum.

On all sides the complaint is heard that German propaganda goes on continually. The anti-German feeling therefore grows, and serious trouble may result. The speaking of German on the streets is apt to lead to mob violence.

The weapon most ready to the Government's hand against the Germanized revolution, is anti-German action. However, food is the key to the entire situation here. The people complain that Vienna is being fed, and that they receive nothing; that the enemy gets food, and that Czech-Slovak, a friend of the Entente, goes hungry. This situation, according to all discerning persons, contains the germ of serious trouble.

Food, food, and more food is the only possible solution.

These Pills Cure Rheumatism.—To the many who suffer from rheumatism a trial of Parmelee's Vegetable Pills is recommended. They have pronounced action upon the liver and kidneys and by regulating the action of these organs act as an alternative in preventing the admixture of uric acid and blood that causes this painful disorder. They must be taken according to directions and used steadily and they will speedily give evidence of their beneficial effects.

Early Italian Surgery.

Berventou Cellini (1509-1571) tells of early Italian surgery. He had got a bit of chipped steel in his eye, "so far into the pupil that it was impossible to get it out, so that I was in very great danger of losing that eye. But the surgeon came to the rescue with the vigeons. The surgeon, making me lie upon my back, and with a little knife opened a vein in each of their wings, so that the blood ran into my eye, and I was therefore greatly relieved. In the space of two days the bit of steel issued from my eye, and found that I had received considerable ease and in a great measure recovered my sight."

Every Woman's Ambition For Rosy Cheeks Now Easily Satisfied

Hollow cheeks with dark lines under the eyes, how a woman hates them! But rosy cheeks, clear skin and bright eyes, give them to a woman and she is happy.

The woman who attracts, whose fresh, dainty complexion compels admiration, is always careful of her health, particularly of her blood condition. Bad complexion always means bad blood.

Girls, don't let your blood grow thin or watery. To do so brings on haggard looks and declining strength.

Many a woman who was allowed herself to run down, to develop that tired, worried look, has built up again in the simple way. Why don't you try it?

At the close of every meal just take two small chocolate-coated Ferrozone Tablets—any person can do this in a minute. The action of Ferrozone is apparent at once. It sets you up, makes you feel good, starts up your appetite, aids digestion, brings that old-time feeling of youth into the system again.

Ferrozone puts you on the right road—the one leading to health.

Not a man, woman or child needing blood, vigor, endurance—not a person who is weak, nervous or sickly, not a person in ill-health who won't receive immediate help from Ferrozone.

As a tonic and restorative, as a health-bringer and body-builder, Ferrozone is unrivalled. It cures because it feeds and nourishes, because it contains the elements that build up and strengthen. For better looks and better health try Ferrozone yourself, sold everywhere, 50c. per box, 6 boxes for \$2.50, or by mail from The Catarrhzone Co., Kingston, Ont.

Don't Hawk, Blow Sneeze, or Cough Use "Catarrhzone"

When germs attack the lining of the nose, make you sneeze and gag—when later on they infest the bronchial tubes—how can you follow them with a cough syrup?

You can't do it—that's all. Cough syrups go to the stomach—that's why they fail.

But Catarrhzone goes everywhere—gets right after the germs—kills them—heals the soreness—cures the inflammation—makes Catarrh disappear. Not difficult for Catarrhzone to cure, because it contains the essences of pine balsams and other antiseptics that imply mean death to catarrh. Large size costs \$1.00 and contains two months' treatment; smaller sizes 25c and 50c, all druggists and storekeepers.

Of Course.

A young author said to William Dean Howells at a reception in the latter's honor in Miami:

"That was Astorbilt who just asked you for your autograph, sir. You don't seem much impressed."

"I can never understand," said Mr. Howells, "why people should be impressed by millionaires. My own experience has been that whenever you lunch with them they always let you pay."

The young author laughed gaily. "That, of course, is how they become millionaires, isn't it?" he said.

Miller's Worm Powders act so thoroughly that stomachic and intestinal worms are literally ground up and pass from the child without being noticed and without inconvenience to the sufferer. They are painless and perfect in action, and at all times will be found a healthy medicine, strengthening the infantile stomach and maintaining it in vigorous operation, so that, besides being an effective vermifuge, they are a tonic and health-giving in their effects.

Insanity.

There has never been a satisfactory definition of insanity, the best, that of Sir William Hamilton, that it is "the paralysis of the regulating or legislative faculties of the mind," leaving us far from being satisfied. Like sleep, like dreams, like life no man understands. Its causes lie in the "De profundis" that no science has as yet explored.—New York American.

Worms sap the strength and undermine the vitality of children. Strengthen them by using Mother Graves' Worm Exterminator to drive out the parasites.

Young European Capital.

Helsingfors, the capital of Finland, is among the youngest of the European capitals, for it is but little over a hundred years since Czar Alexander I, shortly after the annexation of the grand duchy by Russia, transferred the capital thither from Abo, which was, in his opinion, too near Sweden.

WEAK, WORRIED WOMEN

Can Find New Health and Strength Through the Use of Dr. Williams' Pink Pills.

It is useless to tell a hard working woman to take life easily and not to worry. To do so is to ask the almost impossible. But, at the same time, it is the duty of every woman to save her strength as much as possible; to take her cares as lightly as may be, and to build up her strength to meet any unusual demands. It is a duty she owes herself and family for her future health may depend upon it.

To guard against a complete breakdown in health the blood must be kept rich, red and pure. No other medicine does this so well as Dr. Williams' Pink Pills. This medicine actually makes new, red blood, strengthens the nerves, restores the appetite and keeps every organ healthily toned up. Women cannot always rest when they should, but they can keep their strength and keep disease away by the occasional use of Dr. Williams' Pink Pills, which have done more to lighten the cares of weak women than any other medicine. Among the many women who have reason to be thankful for Dr. Williams' Pink Pills is Mrs. Milan Bailey, Utterson, Ont., who says:

"Two years ago I got weak and badly run down, and could scarcely do my housework. I grew so thin that my friends used to comment upon it. At that time my baby was six months old and the care of it and my housework was almost too much for me. It was at this stage that my husband got me a supply of Dr. Williams' Pink Pills, and before I had been taking them long we could see an improvement in my condition. For months I had not been sleeping well and my natural sleep returned and I wasn't so nervous. Then my friends began to comment upon my improved condition and tell me how much better I was looking. By the time I had taken six boxes I felt completely cured, and have since enjoyed the best of health. Now I never fail to recommend Dr. Williams' Pink Pills when any of my friends are ailing."

You can get Dr. Williams' Pink Pills from any dealer in medicine, or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
