

HERE'S WHAT PEOPLE SAY ABOUT TANLAC

"If it had not been for Tanlac I would still be a sick, discouraged woman, for nothing else seemed to do me any good," says Mrs. Edward Gibbs.

All the advertising in the world and all the sales efforts combined could not have made the great success for TANLAC that has been attained, unless this reconstructive tonic possessed merit of the greatest degree. Over 40 Million Bottles of Tanlac have been sold and the demand to-day is greater than ever before.

That TANLAC possesses merit and has brought relief to hundreds of thousands of persons is attested by the great number of testimonials that have been received by the company from people in every state of the Union and every province of Canada. There are over 100,000 such statements on file with the company, all ringing with sincere praise for TANLAC and what it has accomplished.

Here are excerpts from a few of the 100,000 statements on file:

Mrs. Edward Gibbs, Lancaster, Pa.—"For 2 years indigestion deprived me of nearly all the pleasure of living. If it had not been for TANLAC I would still be a sick and discouraged woman, for nothing else seemed to do me any good."

Mrs. Mary A. Benson, Seattle, Wash.—"Following an operation my stomach and nerves seemed to give way and I became almost helpless. As a last resort I tried TANLAC. I began to im-

prove from the very first, gained 29 lbs., and to-day am feeling fine."

O. E. Moore, Kansas City, Mo.: "My stomach seemed to pain me constantly, food seemed to do me no good, I would bloat up with gas, lost my strength, and could not sleep or rest. I was on the down-grade all the time. Tanlac corrected my troubles and put me in excellent shape."

Thomas Lucas, Peterboro, Ontario: "Well, sir, buying TANLAC was the best investment I ever made, for it built up my health and strength to where I haven't a complaint in the world."

Mr. and Mrs. Joseph E. Kaske, Detroit, Mich.: "For more than a year our three children, age 2, 4 and 6, had been so peaked and lifeless that we were worried about them. Their stomachs were upset, appetites poor, the color had left their cheeks, their nights were restless and during the day they would just mope around, taking no interest in play or anything else. They began to improve with the first dose of TANLAC, and to-day there are no more healthy children in Detroit."

Tanlac is for sale by all good druggists. Over 40 million bottles sold. Accept no substitute.

Elderly People Need More Iron in the Blood

To Give Added Strength, Vitality, and Greater Power of Resistance Against Disease.

IRON is constantly leaving the body, especially toward the period of middle age and you must make up for this iron deficiency if you want to escape disease and be strong and well. When the iron in your blood runs low, signs of old age creep into your system. If there is not enough iron circulating the blood-stream becomes thin, pale and watery, the body weak and run-down. In such cases ordinary iron-containing foods seldom supply a sufficient quantity of this important element to make up for the waste so that many physicians now prescribe a concentrated form of organic iron—Nuxated Iron—which contains iron like the iron in your blood.

Actual blood tests show that a tremendously large number of people who are weak and ill lack iron in their blood. If you are not sure of your own condition, go to your doctor and have him take your blood-count and see where you stand or else make the following test yourself: See how long you can work or how far you can walk without becoming tired; next take two five-grain tablets of Nuxated Iron three times per day after meals for two weeks. Then test your strength again and see how much you have gained. By enriching the blood and creating new red blood cells Nuxated Iron strengthens the nerves, rebuilds the weakened tissues and helps to instill renewed energy and power into the whole system.

Unlike the older inorganic iron products, Nuxated Iron is easily assimilated, does not injure the teeth, make them black nor upset the stomach. The manufacturer's guarantee successful and entirely satisfactory results to every purchaser or they will refund your money. It is dispensed by all good druggists.

Shelley's "Ozymandias of Egypt."

The name of Percy Bysshe Shelley is one of the greatest in English literature. His finest works are "The Centaur" and "Prometheus Unbound," but the best-known are his "Ode to a Skylark" and "Ode to the West Wind."

Shelley was drowned while yachting in the Gulf of Spezia. His body was washed ashore a fortnight later, and, in accordance with the quarantine laws of Italy, burnt on a pyre in the presence of Byron, Leigh Hunt, and Trelawny.

The following is one of the finest sonnets in the language, and to-day has peculiar interest:

I met a traveller from an antique land
Who said: "Two vast and trunkless legs of stone
Stand in the desert. Near them on the sand,
Half sunk, a shattered visage lies,
Whose frown

And wrinkled lip and sneer of cold command
Tell that its sculptor well those passions read
Which yet survive, stamped on these lifeless things,
The hand that mocked them and the heart that fed.

And on the pedestal these words appear:
"My name is Ozymandias, king of kings:
Look on my works, ye mighty, and despair!"
Nothing beside remains. Round the decay
Of that colossal wreck, boundless and bare,
The lone and level sands stretch far away."

God's Little Things.

I love the little things of God—
The loamy scent of fresh-turned sod,
The fleecy white clouds in the sky,
The passing of the south winds by,
The darting flash of bluebird's wing,
And all the sights and sounds of spring.

I love the days when summer fades,
The scarlet tinge in forest glades,
The wild grapes, purple on the vine,
The crisp air, heady as old wine,
The hint of snow in graying sky,
To warn us that old winter's nigh.

Plumber's Harvest.

Teacher—"Now, Bobbie, tell us when is the harvest season?"
Bobbie—"From November to March."
Teacher—"Why, Bobbie, I am surprised that you should name such barren months. Who told you they were the harvest season?"
Bobbie—"Pa. He's a plumber."

EASY TRICKS

No. 880

Selectivity

This is an easy and very effective trick and requires no skill and very little practice.

Ask half a dozen spectators to loan you half a dozen coins. Put them in a hat. Ask that one of the coins be selected and that each spectator examine it carefully and that it then be placed in the hat. Note may be taken of the date or it may be marked.

When the coin has been placed in the hat, you will put your hand in the hat and take out the coin selected.

The secret is this: When you borrowed the coins you placed them on a mantlepiece, a stone topped table or somewhere where they will get a chance to be very slightly chilled. The coin examined by the spectators becomes warm from so much handling and you will have little difficulty in picking it out of the others in the hat.

A Drawback to Matrimony.

A little girl in Ayrshire had been punished for not being able to recite her geography lesson. Her mother went to the lady teacher to reprimand her.

"Was it you who punished our wee Jeanie for her geography?" she demanded.

"Yes, I punished her," was the reply.

"Weel," continued the mother angrily, "her Auntie Leezie had nae geography, an' she got a man. I had nae geography, an' I got a man; an' there's you w' a' your geography, an' you havena got a man yet! I don't want my lassie to get geography!"

HELP FOR YOUNG WOMEN

Mrs. Holmberg Tells How Lydia E. Pinkham's Vegetable Compound Helped Her

Viking, Alta.—"From the time I was 15 years old I would get such sick feelings in the lower part of my abdomen, followed by cramps and vomiting. This kept me from my work (I help my parents on the farm) as I usually had to go to bed for the rest of the day. Or at times I would have to walk the floor. I suffered in this way until a friend induced me to try Lydia E. Pinkham's Vegetable Compound. I have had very satisfactory results so far and am recommending the Vegetable Compound to my friends. I surely am glad I tried it for I feel like a different person now that I don't have these troubles."
ODELLIA HOLMBERG, Box 93, Viking, Alta.

Letters like this establish the merits of Lydia E. Pinkham's Vegetable Compound. They tell of the relief from such pains and ailments after taking it.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and today holds the record of being the most successful remedy for female ills in this country, and thousands of voluntary testimonials prove this fact.

If you doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to the Lydia E. Pinkham Medicine Co., Cobourg, Ontario, for Mrs. Pinkham's private text-book and learn more about it.
