### A Prisoner With the Russians

Major Stanley Jones, brother of Mrs. B. J. Lawson, who has been missing since the big battle which took place on the western front early in June, is wounded and a prisoner of war in Germany.

Word to this effect was received this morning by Mrs. Lawson from Mr. Clifford Jones, a brother residing in Calgary. Mr. Jones will leave immediately for France where Major Jones' wife is engaged in hospital work.

Major Jones has been with the Princess Pats since that famous battalion went overseas. Some time ago he was out of action by wounds, but on recovering rejoined his unit. After the terrible fighting of a few weeks back he was reported 'missing' and there was grave fear, now happily removed that he had been killed. Nothing is known here as to the nature of the latest wounds but it is believed that they are not serious. Major Jones, a lawyer in civil life, is a graduate of Acadia College Class of 1897. — Amherst Guardian.

### Makes Astonishing Cures

MI-O-NA Tablets Cure Dyspepsia by Promptly Removing the Cause, or Money Back

There is just one way to cure dyspepsia and stomach disorders, trivial or serious and that is to tone up or put energy into the stomach walls, so that they will be able to properly mix or churn food.

MI-O-NA tablets quickly arouse the stomach from its inaction and in a short time it is able to do its work properly.

Harry Dodd, Bridge St., Hastings, Ont., says: For seven years I had suffered and spent much money doctoring, but all to no avail. I could eat but little, as the food would ferment and sour, making gas which caused heart oppression; I was in constant misery, sour gas would belch from my stomach, I was languid and weak and had no ambition. I did not feel like going anywhere or seeing anyone. There was a constant dull pain in the pit of my stomach, I was unable to sleep, was nervous restless and would awake more tired than on going to bed. I tried MI-O-NA and soon found relief, and in less than six weeks MI-O-NA had completely cured me.

J. D. Clark the druggist sells MI-O-NA tablets at 50 cents a large box, under a rigid guarantee to do all that is claimed for them or money back.

### Steady Price of Foodstuffs

It is understood that the Government of Canada has had recently under consideration the matter of the greatly increased prices of many commodities in Canada, particularly certain food products, and the question whether these increases are warranted or are simply the result of the manipulation of dealers. The price of foods, taken as a whole, has shown a steady increase during the progress of the war, and it is bringing a severe pressure upon the wage-earners in Eastern Canada.

### Forced the Enemy to Retire

London, June 30—Overtime the capture of which is reported in today's official Russian communication, is fourteen miles northeast of Kolomea. The occupation of this town by the Russians represents a further gain in the new drive over a twenty-five mile front which, according to yesterday's Russian and Austrian communications forced the Austrians to retire on a part of the front. Although there are reports that the Russians have captured Kolomea, they lack official confirmation.

### United States and Mexico Still Marking Time

Washington June 30—The Mexican situation stood today virtually where it was 24 hours ago, except that more National Guardsmen were hurrying to the border and the time allowed General Carranza to declare his intentions toward American troops in Mexico as growing shorter.

With the troops captured at Carrizal back of American soil, apparently there was no intention on the part of the Washington Government to force an immediate issue on its demand for assurance that there would not be a repetition of the attack on General Pershing's forces.

Friends of Mrs. W. W. Colpitts, widow of the late Rev. Wesley W. Colpitts, have received news of her death, which occurred at Vancouver on June 13th. She was buried on June 14th beside her husband, who died a year and a half ago.

Mrs. Colpitts was formerly Miss Cornelia Davidson, of Greenwich, this County, and had many friends in the Maritime Provinces, her husband having been for years connected with the Methodist Conference of the Maritime Provinces.

She leaves four daughters, Mrs. Hugh Stewart, of Portage La Prairie, Man.; Mrs. T. H. Roberts of Kerrisdale, Vancouver, B. C.; Mrs. J. H. Matholland, of Jacksonville, Florida; and Mrs. Marshall Mizell, of Live Oak, Florida.

Her three sisters, Mrs. Gustavus E. Bishop, Mrs. (Rev.) Albert DeBrisay and Mrs. Esty B. Bishop, all died before her.

One of the marvelous features of the war so far as the British Empire is concerned, has been the spontaneous gifts from outlying portions of the world-wide empire. The little island of Dominica, in the West Indies which has a population of less than 30,000 people, mostly descendants of freed negro slaves, have actually presented the British Government \$50,000, as a thank-offering for British protection. These freed negroes have given, poor as they are, a greater contribution for patriotic purposes than many a rich county in Canada equally as populous.

The camp meeting at Berwick, N.S., will open this year on August 1st, at 7.30 p.m., and continue for a week, closing on the evening of the 9th. The Evangelists will be Rev. A. S. Rogers, D.D., of Halifax, N.S., and J. W. Bartlett, of Sydney, C. B. Rev. Prof. W. G. Watson, B.D., will be Bible Expositor.

Everything is being done to make the meeting a success and fruitful in results. The Association has issued a booklet giving full information about the meetings and accommodations and reduced travelling fares. Any person can have this booklet free by dropping a card to Rev. J. A. Smith, Secretary of the Association, Berwick, N. S.

The new pastor of a certain country parish during his sermon one Sunday morning not long back, stopped abruptly and asked:

"How many of those here are diligent students of their Bibles?"

"Fifty hands went up. 'Good,' said the pastor. 'Now, how many of you have read the second chapter of Jude?'"

"Twenty-five hands went up. A wan smile overspread the divine's face. 'That's also good; but when you go home and read the chapter again, you will doubtless learn something to your interest.'"

The point of this story, says the teller of it, lies in the fact that the Book of Jude consists of one chapter only.
