ARE YOU DEAF? ANY HEAD NOISES?

ALL CASES OF DEAFNESS OR HARD HEARING ARE NOW CURABLE

by our new invention. Only those born deaf are incurable.

HEAD NOISES CEASE IMMEDIATELY.

F. A. WERMAN, OF BALTIMORE, SAYS:

Gentlemen:—Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case, to be used at your discretion.

About five years ago my right ear began to ring, and this kept on getting worse, until I lost my hearing in this ear entirely.

I underwent a treatment for catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialist of this city, who told me that but one operation could help me, and even that only temporarily, that the head noises would not be cured, but the hearing in the affected ear would be lost forever.

I then saw your advertisement, accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and today, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you deeply, and beg to remain

Very truly yours,
F. A. WERMAN, 730 B. Broadway, Baltimore, Md.

Our treatment does not interfere with your usual occupation.

SHELDONS' CORNERS SCHOOL

The closing exercises at 88 No. 16' Sheldon's Corners, took place on Friday last, and were of a most interesting and pleasing character. After a programme of recitations and vocal numbers, the scholars presented the teacher, Miss E. Webster, with the following address, which tells of the successful work done during the year and the very warm place which Miss Webster holds in the affections of both pupils and parents. Miss Webster is engaged to teach the school at Wiltsetown during the coming year, and will, no doubt, meet with the same success which has attended her efforts in her former school in this section:

To Miss Webster, Sheldon's School.

Dear Teacher:—It is with deep regret that we realize this is the last day we shall meet in this schoolroom in the relation of pupils and teacher. We desire to tell you how we appreciate the earnest efforts you have made in our behalf and to express our gratitude to you for so doing, and though we may have grieved you at times with our seeming indifference yet we hope you may forget those seasons and believe them due to thoughtlessness rather than to bad spirit.

We hope to continue in your remembrance as you will ever remain in ours and with this end in view we beg you to accept this gift, believing the frequency with which such articles will be used will the oftener recall to your mind the pupils you have left behind you in Sheldon's School.

We sincerely bid you God-speed wherever your lot may fall, and join heartily in wishing you a very Merry Christmas and a Happy New Year.

Respectfully offered

By the Pupils.

INWARD AND OUTWARD.

The inward effects of humors are worse than the outward. They weaken all the organs inflame the mucous membrane, cause catarrhal troubles, and endanger the whole system.

Hood's Sarsaparilla eradicates all humors and cures all their effects.

It's the great alternative and tonic medicine whose merit has been everywhere established.

Accept no substitute.

Eminent physicians prescribe them. Sixty tablets, 35 cents.

(Held over from Last Week.)

Mr. Joel Laishley, of Winnipeg, spent the Xmas holidays with his sister, Mrs. Stearns Ransom.

The Xmas Tree and entertainment, held at the town hall on the 24th, was a decided success. Those who took part in the program ably filled the positions assigned them, and everything passed off pleasantly.

Misses Francis E., Anna Jane and Marjorie Adaline Berney, of Athens, spent their holidays with their sister, Mrs. Samuel Coleman. We are pleased to hear that Miss M. A. Berney is engaged to teach school at Plum Hollow.

The School Meeting took place in the P. S. building last week for the winding up of last year's business. Mr. J. W. Russell was elected by a large majority. The trustees are now E. C. Siter, Alex Stevens and J. Russell. The meeting was largely attended.
