prices.

JOHN H. OLDERSHAW,
Thomas Street,
Opposite Police
Station...

TO OUR CUSTOMERS.
We have just put in, at great expense,
a WONDERFUL MACHINE, heated by
steam, work only passing through the
rollers once; the result—WORK IS
ELASTIC, WILL NOT BREAK, and will
last much longer than when ironed by
the old method, heated by gas, which
has to pass through the rollers eight
times.

P.S.—We have also added a newly
invented machine to iron the edges of
Collars and Cuffs.

HANDSOME GOWNS.

Such Lace is Used as Trimming.
Liberty Satin a Favorite.
Liberty satin is being used a great
deal for evening dresses, and this rich
and pliable material makes up well
with a few shirtings or a bit of fine
lace.

Quantities of lace are used on every-
thing and especially on fine hats. The
lace veil which drapes the brim and
falls in a curtain behind is one of the
prominent features of millinery. Most
of the new shapes are very simple and
adapt themselves well to this draped
style of trimming.

A shepherdess shape and the old
Dolly Varden are again to the front,
while variations of the French sailor
appear in chiffon and in fancy straws,
leg horns and crinolines.

The draped veil, in spite of criti-
cisms against it, will be with us again
this summer, for nothing is more be-
coming to a young face than a back-
ground of chintilly or chiffon.

The colorings used at present are
very beautiful. The fancy for browns

LIBERTY SATIN GOWN.

and yellows has not abated, and rose
tints in all shades from purplish to
pure white will be seen all through the
summer months.

A new method for treating the backs
of the skirts is having a deep box plat
formed of several small plaits on each
side. These plaits, which are stitched
securely down at the top, produce the
necessary fullness at the bottom, and
this is further accentuated by means
of ruffles or flounces. In some of the
skirts, however, there is a decided
tendency to bring a great deal of the
fullness to the front by means of gath-
ers. The result is that the gown stands
out as much in front as at the back,
but the effect can hardly be termed
graceful.

In the illustration there is represent-
ed a dinner gown of pale gray liberty
satin. It has a bertha of point de ve-
nise lace.

JUDIC CHOLLET.

SPRING FASHIONS.

New Tints For Street Wear—The Hip
Yoke on Skirts For Stout Women.

White brown is still a favorite shade
with Parisiennes. It divides honors with
a bright shade of blue, and the leading
dressmakers are showing blues in all
shades, from navy to bright periwinkle.

Navy blue chevrons are always smart
for morning wear, especially when
trimmed with a flat black and silver
or gold braid and gold or silver but-
tons.

Some boleros are being made with
white cloth waistcoats embroidered in

PALE BLUE STRAW HAT.

gold or silk the same color as the bo-
lero.

Quiltings of velvet and of satin are
more popular than ever on cloth and
on silk gowns and even on hats.

The hip yoke is proving a godsend to
the woman of plump figure. It cor-
rects the full skirt, which is now a
necessity to every smart gown, and it
makes it possible for her even to look
graceful in it.

Speaking of the full skirt, there are
revised editions of it suited to the
stout woman. One model especially has
a V shaped yoke of strappings and a
series of inverted plaits stitched
down to the knees. The fullness in
this skirt is therefore only around the
feet, where it is most needed.

The hat in the picture is of pale blue
straw trimmed with twists of pale blue
panne and pale blue feathers.

JUDIC CHOLLET.

SCOURGE OF THE AGE IS KIDNEY DISEASE

Terrible Increase in the Num-
ber of Deaths from This
Ailment

It is Common to All Classes
and Conditions of
People

It Creeps Stealthily Into the Sys-
tem And Develops Into Many Dis-
eases.

Bright's Disease, Heart Disease, Dia-
betes, Dropsy and Rheumatism, are
Among the Forms It Takes.

Dodd's Kidney Pills The One Rem-
edy That Never Fails To Cure It,
No Matter How or Where It Is
Found.

Of all the diseases the human body
has to combat in its struggle for
health, the one that is steadily grow-
ing in strength and terror is Kid-
ney Disease. Quietly, stealthily as a
serpent, it creeps on its victim until
the latter is enveloped in its folds,
and the greatest physician the world
has ever known stand helpless be-
fore it. As the last fold goes around
the struggling victim and the doctor
shakes his head and whispers
"Bright's Disease," hope fades to noth-
ing, and the sorrowing friends
feel that death has marked their
loved one for its own.

The alarming increase this ter-
rible disease is making is evidenced
by the columns of almost every news-
paper. For not among the lowly of
the earth alone does it look for its
victims. Statesmen, judges, eminent
lawyers, and honored divines are
numbered among those who in re-
cent months have gone down to their
graves with the fell marks of this
dread disease upon their bodies. In
fact, so prevalent has the disease
become that a celebrated New York
specialist stated recently that not
one person in a hundred was free
from some taint of Kidney Disease.

WORKS IN SECRET.

It is the secrecy of Kidney Disease
that makes it the more dreaded.
You can fight an enemy in the open
with some chance of success, but if
he is lying in wait to take you at an
unwary moment your chances of suc-
cessfully fighting him are terribly
diminished. So it is with Kidney
Disease. Its first warnings are so
faint as to be hardly noticeable, a
slight pain in the back that is charged
up to over exertion, a slight dis-
coloration of the urine or a burn-
ing sensation while urinating that
hardly attracts attention. That is
all. But that means that Kidney
Disease is at work gradually eating
its way into your system. The pain
in the back grows more severe, the
urinary trouble more complicated,
swellings under the eyes and of the
limbs denote the coming of Dropsy,
sharp shooting pains in the joints
and muscles tell that Rheumatism
has you in its grasp, or perhaps a
day or two's illness leads to the call-
ing of the doctor, and suddenly the
terrible truth is forced upon you—
Bright's Disease has you in its grasp.

WAY OF ESCAPE.

With this silent, relentless enemy
slowly but surely eating its way into
your system and marking that pro-
ceedance by a yearly increase in the
length of its death list, the demand
of the day, of the hour, "Show us
the way of escape." Nature never
put mankind in a critical condition
without providing a way of escape
—providing mankind were wise
enough to take the way provided.
In this case the way of escape is a
simple vegetable remedy. It has
been before the people of Canada for
thirteen years, and like all the great
relievers of nature, has been first
received and first appreciated by the
lowly in life, those known as the
common people of Canada.

Is fit the common people of Canada
who die of Bright's Disease? No, it
is the bright and shining marks,
those who are stationed above the
heads of the masses. Ask the reason
of that? Go to the people who
are practically exempt from Kidney
Disease in its worst form, and ask
them. With almost a single voice
they will reply: "We cure our Kid-
ney ailments with Dodd's Kidney
Pills, and they never get a chance
to develop into that terrible disease
that carries so many prominent men
into the grave."

ON WITH HIS WORK.

And so it is; the man who does
manual labor must heal his slightest
aches or they hinder him in his work.
When he has backache he cures it
with Dodd's Kidney Pills, and goes
on with his work; when he feels a
twinge of Rheumatism he drives it
out of his body with Dodd's Kidney
Pills, and goes on with his work.
Necessity has taught him that he
must cure his Kidneys to get rid
of his pains, for he must work to
live. He has not been educated to
that standpoint where a prescrip-
tion to cure must be written by a
specialist at a cost of dollars to
every letter. He has not even know
that there never was a disease that
took in all classes of the com-
munity but what nature provided a
cure within the means of all classes
of the community. What he does
know is more to the point than all
this. He knows that Dodd's Kidney
Pills will cure all aches which ex-
perience has taught him come from
the Kidneys. He takes Dodd's Kid-
ney Pills, and goes on with his work.

SOME EXCEPTIONS.

Of course, there were exceptions
to every rule. Even among common
people there are those who neglect
the early warnings of Kidney Dis-
ease. It takes exceptions to prove
the rule—but many of these exceptions
prove more—they prove that no case
of Kidney Disease is too far gone for
Dodd's Kidney Pills to cure. Bright's
Disease, Diabetes, Dropsy, Heart Dis-
ease—all the varied forms of Kidney

Disease in its advanced stages—have
been met by Dodd's Kidney Pills, and
never once has Canada's great Kid-
ney Remedy had to admit defeat.
From the Atlantic to the Pacific, and
from the Great Lakes to Hudson Bay,
Dodd's Kidney Pills are used, and
wherever used they have triumphed
over Kidney Disease in its every
form. Thousands of Canadians are
shouting their praises of the con-
queror.

Just a few of those who have ne-
glected the early symptoms, reached
the more advanced stages of Kidney
Disease, and found a cure in Dodd's
Kidney Pills are given below. There
are thousands of others. Ask in
your own immediate neighborhood.
You will not have to go far to meet
men, women and children who have
either ward off or cured the terror
of the present age by using the old
Canadian stand-by—Dodd's Kidney
Pills.

BRIGHT'S DISEASE CURED

Bright's Disease has invariably
yielded to a treatment of Dodd's Kid-
ney Pills, no matter how far a hold
it had secured on its victim. Possibly
the most talked of case of recent
date is that of Alice Maud Parker,
of Shubemacade, Hants Co., N. S.
The full story of this case will be
found in the current number of
Dodd's Magazine. Herewith a short
statement from the young lady's
mother is appended:

Two doctors pronounced my daugh-
ter's illness Bright's Disease, and gave
up to die. Her eyelids swelled
till she could hardly see; her legs
from her ankles to her knees swelled.
Her belt in health in health was 30
inches, when she was at her worst
it was 48 inches. Then she gave up
another treatment and started to
take Dodd's Kidney Pills. By the
time she had taken the first box I
saw a change. It took a long time
to bring her back to perfect health,
but Dodd's Kidney Pills did it. To-
my daughter is in perfect health.

Mrs. T. G. Parker,
Shubemacade, Hants Co., N. S.

DIABETES CURED.

Diabetes is another of the most
fearful and fatal forms of Kidney
Disease that has been cured by Dodd's
Kidney Pills, and by no other medi-
cine. Among those cured of this ter-
rible ailment is Mr. Charles Gilchrist,
for fifteen years Chief of Police of
Port Hope and afterwards for twenty-
two years Fishery Overseer under the
Dominion Government. He makes the
following statement:

I was a sufferer for ten years with
Diabetes and Kidney Disorder. At
times my urine was of a dark brick
color, and I would suffer something
awful while passing. I tried doctors
and medicine, but could get no help
till I tried Dodd's Kidney Pills. They
have made me a new man. The citi-
zens of Port Hope all know me, and
can vouch for the above.

Chas. Gilchrist,
Ex-Chief Const and Fishery Overseer,
Port Hope.

HEART DISEASE CURED

Heart Disease is a result of Kidney
Disorder. Bad Kidneys mean im-
pure blood, the action of impure blood
on the heart causes Heart Disease.
Dodd's Kidney Pills cure it.
I suffered for years with Heart
Disease, Bright's Disease and Rheuma-
tism. I was so feeble I was unable
to do anything. There were three
months I abandoned all medicines,
and resolved to let myself die. Then
I was led to try Dodd's Kidney Pills,
and the good the first box did me
surprised me. I have taken twenty
boxes in all, am well of my Heart
Disease, my Bright's Disease and my
Rheumatism.

Dame Louis Provost,
St. Maguire, Que.

DROPSY CURED.

Dropsy, another disease caused by
diseased Kidneys failing to do their
work and remove the surplus water
from the blood, is another ailment
Dodd's Kidney Pills always cure. Here
is an example:

I was a total wreck before I start-
ed to use Dodd's Kidney Pills. In the
mornings before I got out of bed I
could hardly put my feet to the floor
they were so much swollen with drop-
sy. My arms used to swell at times
so that I could not put on my coat.
I had to be tapped to be relieved
from my terrible pains. On the ad-
vice of a friend I started to use
Dodd's Kidney Pills. Before I had
finished the second box I felt much
better. Seven boxes cured me com-
pletely. I don't know what it is to
be sick since I used Dodd's Kidney
Pills.

George Robertson,
392 St. James St.,
Montreal, Que.

RHEUMATISM CURED.

Rheumatism and kindred Kidney
Diseases, such as Lumbago, Sciatica,
and Gout, are caused by uric acid in
the blood. If the Kidneys are put
in working order they strain all the
uric acid out of the blood, and the
Rheumatism goes with it. Take the
case of W. G. Cragg, of Urenburg, Ont.
Here is his statement:

For eight years I was troubled
with inflammatory Rheumatism. I
could scarcely get around to do my
duties in my store. I had some of the
best doctors I could get, but nothing
I tried would ever give me relief.
I started using Dodd's Kidney Pills
and had only taken six boxes when I was
completely cured.

W. G. Cragg,
Ex-River of Dresden, Ont.

ALL KIDNEY DISEASES CURED.

These are only a few cases taken
from thousands to show the efficacy
of Dodd's Kidney Pills. In other
forms of Kidney trouble, such as Urin-
ary troubles, Gravel, Female Weak-
ness, etc., Dodd's Kidney Pills have
the same record. They always cure,
as for pain in the back—the first
symptom of Kidney trouble—ask your
neighbors. You'll find the majority
of them look on Pain in the Back as
a danger signal, and on its first ap-
pearance safeguard themselves against
this terrible fatal Kidney Disease by
driving it away with the old Cana-
dian stand-by—Dodd's Kidney Pills.
