A STRANGE EXPERIENCE.

AN INTERVIEW WITH A WELL KNOWN BRANT COUNTY LADY.

Suffered for Two Years With Sick Headache, Dizziness and Dyspepsia—How She Found Relief—What Well Known Chemists Say.

From the Brantford Examiner.

Mrs. S. W. Avery lives on Pleasant Ridge, about four miles out of the city of Brantford, that being her nearest post office and where all her trading is done. Mr. and Mrs. Avery have always lived in that neighborhood, and he is the owner of two splendid farms, the one where he lives, containing 100 acres, and the other lying near Brantford, containing 100 acres. They are highly respected residents of the community in which they reside, and every person for miles around knows them. Having heard that Mrs. Avery had been cured of chronic dyspepsia and indigestion, by the use of Dr. Williams' Pink Pills, a reporter called there recently and asked if she was willing to make public the facts concerning the cure. Mrs. Avery replied that she had been cured by the use of Pink Pills, and was perfectly willing to give her experience for the benefit of those who might be similarly suffering.

"For the past two years," said Mrs. Avery, "I had been greatly troubled with a very sick headache, dizziness and a cough which I believe were the symptoms of dyspepsia and indigestion, and I could find nothing to relieve me although I tried several different medicines. I could not even find anything which would relieve my cough, which at times would be very severe. Early last winter I read in the Examiner of Dr. Williams' Pink Pills, and as the symptoms mentioned were somewhat similar to mine I was induced to try them. I procured a supply from Messrs. McGregor & Merrill, druggists of Brantford. Before I had used ten boxes of the Pink Pills I felt so much better and relieved from my distressing symptoms that I thought it worth while to continue taking them through the winter, and I accordingly got another supply and used them with the results that I have been totally relieved. I have not once since had the severe headache which formerly made my life miserable and my cough has entirely disappeared. I strongly recommend Pink Pills to anyone who suffers similar to what I did, from distressing headache, indigestion, etc., and I believe they will derive great benefit from their use."

Mrs. Avery's statement was corroborated by her husband, who was present during the interview, and who said that without a shadow of doubt Pink Pills had accomplished a cure for his wife, that any other medicine which she had taken.

Messrs. McGregor & Merrill were interviewed, and in reply to a query as to the sale of these pills, Mr. McGregor said: "We have sold in the neighborhood of 5,000 boxes of these pills in the last twelve months and there is no remedy we handle gives better satisfaction to our customers than Dr. Williams' Pink Pills. I have every confidence that Pink Pills are the best on the market and something the people can depend upon." Mr. Merrill, the other member of this well-known firm, said: "I have more pleasure in selling Pink Pills than in any other medicine we handle, because it is rarely there is any disappointment in them, and the people who purchase them unanimously expressed themselves as satisfied. I am well acquainted with Mrs. Avery and I know that all her statements are reliable, and I have watched the improvement Pink Pills have made in her case and have seen a great change for the better. Many other druggists recommend some preparations, sometimes their own, to be equally as good as Pink Pills, but we cannot conscientiously say so, knowing that as a system Dr. Williams' Pink Pills stand unrivalled."

Dr. Williams' Pink Pills are a perfect blood purifier and nerve restorer, curing such diseases as rheumatism, neuralgia, partial paralysis, locomotor ataxia, St. Vitus' dance, nervous headache, constipation and tired feeling therefrom, the after effects of a grippé, diseases depending on impurities in the blood, such as scrofula, chronic erysipelas, etc. Pink Pills give a healthy glow to pale and sallow complexions and are a great remedy for troubles peculiar to the female system, and in the case of men they effect radical cure in all cases arising from mental worry, overwork, or excess of any nature.

Dr. Williams' Pink Pills are sold only in boxes bearing the firm's trade mark and wrapper, printed in red ink. Bear in mind that Dr. Williams' Pink Pills are never sold in bulk, or by the dozen, and any dealer who offers substitutes in this form is trying to defraud you. The public are also cautioned against other so-called blood purifiers and nerve tonics, put up in similar form and intended to deceive. They are imitations whose makers hope to reap a pecuniary advantage from the wonderful reputation achieved by Dr. Williams' Pink Pills.

Dr. Williams' Pink Pills may be had of all druggists, or direct by mail from Dr. Williams' Medicine Company, Brockville, Ont., or Schenectady, N.Y., 450 cents a box, or six boxes for \$2.50. The price at which these pills are sold makes a course of treatment comparatively inexpensive as compared with other courses of treatment.
