COBALT STOCKS.
Mining circles were dull in Toronto on Saturday in consequence of the closing of the Standard Exchange and prices showed little change. Conspicuous showed some signs of recovery, approaching the six-dollar mark on the curb. The passing of the dividend has been considered a bit of ultra-conservatism on the part of the management. Crown Reserve sold on the Stock Exchange at 3.75 and La Rose at 8.45. The buying of the former stock is ascribed to New York interests. Chambers-Ferland was sold somewhat freely on the curb and closed at 49-1-2. Scotia closed at 72, but the other stocks were very inactive.

BRADSTREET'S TRADE REVIEW

Montreal—The general business situation has shown little change during the past week. The volume of trade continues excellent for this season of the year. Mid-summer holidays are having their usual effect but the excellent outlook for fall is resulting in a large movement of general lines and business is much more active than at this time last year.

Toronto—All lines of trade report an excellent movement of goods and confidence regarding future business is steadily growing. Ontario and Western crops promise well. The week's weather has been favorable and if these conditions continue the fall business throughout the country cannot help but be large. There is still a fair trade of sorting lines of drygoods and good, well assorted orders for fall are being booked.
Winnipeg—The continued fine crop weather is proving a splendid stimulus to business generally and general business has assumed splendid proportions.
Vancouver and Victoria—There is an excellent tone to both wholesale and retail trade all through the province.
Hamilton—Business continues steady and there has been nothing to weaken the feeling of confidence with which business men generally are looking towards the future. Retail trade keeps fairly active and wholesalers report a fair amount of sorting trade. Crops in the surrounding country are looking well and country trade has been good. Collections are satisfactory.
London—Trade there continues to move well.
Ottawa—Trade there has shown little change during the week.

A FEW PICKUPS.

The Veritys got off to a bad start. Playing to form, the Pleasure club is about the best team in the league, and will make the others hustle to win.
Alf. Strowger as an "ump" is becoming quite a favorite with the crowd.
A prominent figure at the game was George Anderson. He was kept busy answering inquiries about Bobby Kerr.
Hackbush is certainly playing a great game this year. Eleven chances without an error is going some.
Gage was on the bench Saturday. His hitting streak has seemingly disappeared.
The Pleasure club's big lead in the early part of the game perhaps saved them a defeat. After Southon had his right hand injured he had difficulty in finding the plate.
Hamilton's ball park is certainly up to date. The new entrance makes it much easier to handle the crowd.

AT BRANTFORD.

Brantford, July 26.—(Special.)—The score in detail tells the story of the game here on Saturday when O'Connell's St. Patrick's were defeated by the Goold, Shapley & Muir team by 10 to 1. It was a slaughter of the innocents all the way, the locals having their batting tops on in fine style. The star pitcher of the visitors, Kid Smith and McGavin, were driven to the tall timbers of Mohawk, 8 hits being garnered in off the former in 4 innings, and 10 off McGavin in the remaining four rounds. It was an auspicious opening of the second series for the Windmills, who are now in charge of Dennis Burke, and the home team played a bang-up game. Simpson was at his best and struck out ten of the Irishmen, and allowed but 5 hits. The visitors only gathered one run, that coming in the first, after a 2-bagger, by Beattie, and Shea's error on McDonald's plug to shortstop. The high wind and cold weather were responsible for considerable loose playing and in the fielding line neither team was at its best. The Windmills fattened their batting averages considerably, getting a total of 18 hits, including 5 two-baggers. Dingwell carried off the honors with 4 hits in five times up. It was a case of hitting the ball on the nose. Shea, Dingwell and Minnes hitting them down to the infield like bullets. Bardgett's fielding at first base and Canella's base running were features. The latter went from first to third twice on sacrifice hits. St. Patrick's played Stevens in left field, but the latter did not get along very well. Umpire James Miller, a local man, who balked at the first of the season, made his peace with President Lyle, and was on the job. His work was the best seen here this year. The teams:

TIE AT TORONTO.

Toronto, July 26.—Old J. Pluvius stopped up his watering can long enough on Saturday afternoon to allow the first game of a scheduled double-header with Jersey City to be started, but when this game began to be dragged out into a repetition of the last game the Leafs played, that on Tuesday with Newark, he very kindly, perhaps, put a damper on the weird contest, and His Umps put an end to it. It was at the end of the twelfth inning, and the score was a tie, 3 to 3. This means that the whole four games will have to be played later on. Although it lasted the same number of innings, Saturday's was unlike the game of last Tuesday. It was no "swat-fest," and but few runs were gathered. There were, however, more fouls, but this was in a large measure due to mud on the field and the slipperiness of the ball from the pouring rain. McGinley, for the Leafs, and Ford, the spitalist artist, for the Skeeters, pitched the entire game. Ford struck out ten men and allowed but one base on balls, although the home team gathered one more hit off him than did the visitors off McGinley. Gardner, for the visitors, and Grimshaw, for the Leafs, did the best stick work, each getting three hits and two runs. Two double plays were

FOR THE YOUNG AMATEURS

BUT FEW GAMES
were played in the amateur baseball leagues on Saturday. The day was ideal and large crowds turned out to witness the contest.
The big game of the day was at Maple Leaf Park, when the champion Broadviews defeated the Alerts, 5-3. The result will just about decide the championship, as it is the intention of the league managers to end the league as soon as possible. In the Church League the Ascensions walloped St. Andrew's by a score of 34-12. The Ascensions and St. Thomas will decide the championship next Saturday.

The first game at Maple Leaf, between the Keystones and the Baydies was won by the Keystones, 3-1. Both teams played up to expectations, but the main trouble was that of both twirlers. The game was fast from the start and not until the last inning was the game decided, when the Keystones scored the winning run. The best bats, Baydies could do was to get one run in the second. Outside of that they were never dangerous. Brooks was slab artist for the Keystones and he had a large assortment of benders. Diary Campbell at second for the Keystones figured prominently in the game. The Baydies were without the services of their regular pitcher, Carter, and Jamieson, who did the pitching, made a good showing. The teams lined up as follows:
Keystones (3)—G. Moore l. f., Ford c. f., Campbell 2b, Nixon a. s., Himmen, 3b, W. Moore r. f., Myles c, Taylor 1b, Brooks p.
Baydies (11)—Montgomery a. s., Sheridan 2b, Worley l. f., Walde 3b, House, c, Greenwood 1b, Jamieson p, Bryce c. f., Rousseaux r. f.

R. H. E.	Won.	Lost.	P. C.
Keystones	100,100,001—3 5 3		
Baydies	010,000,000—1 3 4		
Umpire—D. J. Louis.			

The Broadviews defeated the Alerts for the second time by a score of 5-2. While the Alerts lost, they made the Broadviews step to win, and then it was only on a fluke in the eighth inning, when the Broadviews scored three runs, that the game was decided. Both teams were out to win. The Broadviews got their runs in bunches, always being able to connect with the ball at the right time. They got two runs in the sixth and three more in the eighth. With the bases full "Hex" Crossen made an error and allowed two men to score. The feature of the game was the form displayed by Bothen. He twirled a brilliant game, having no less than 18 strike-outs, and it is his record.

ANNUAL OUTING OF THE RAMBLER CLUB.

Nash's Grove was the scene of unwonted activity and merriment on Saturday afternoon. About three hundred members and friends had journeyed there to celebrate the occasion of the annual picnic of the Ramblers' Bicycle Club, and celebrate they did. Sharp at 1:30 o'clock the parade was formed up in front of the Ramblers' headquarters, on Rebecca street, and with a half dozen pipers in the lead and the society band at their heels, they marched up to the Terminal Station, where the special cars waited to carry the bunch to the grove. Upon arrival the picnicers hustled to the booth where the badges were given out. Each received a small pasteboard shield, upon which was inscribed the classic quotation, "Nuf Ced." Armed with this, they were entitled to all the privileges. Everything on the grounds was free and consequently the different booths were well patronized. An excited crowd was continually hanging around one booth, and two perspiring individuals were kept busy handing out large bowls of what is commonly known as "Suds." In the middle of the known as "Suds." In the middle of the afternoon a thrilling race began to fall, but even that did not suffice to dampen the spirits of the crowd; in fact, they seemed to grow drier as the afternoon progressed.
Short speeches were made by Mayor McLaren and Ald. Wright, Ellis and Chief Ten Eyck. All complimented the committee and the Ramblers' Club on the excellent outing they had provided and said they had enjoyed themselves immensely.
At 7:30 the crowd boarded the special again and were hurried into the city. Forming up at the station, they marched to the club's rooms, in step with that inspiring martial selection, "Hail, hail, the gang's all here."

In the Church League the Ascensions walloped St. Andrew's, mostly because of the poor support the Saints gave their pitcher. Amateur baseball is not as successful this season as previous years, and on this account the promoters are anxious to close the leagues. The Broadviews were scheduled to play the Maple Leafs next Saturday, but the Leafs have disorganized and will be replaced by the Keystones. This game will be the deciding one and providing the Broadviews win, the Spalding pennant will be theirs. If the Alerts win and the Broadviews lose, both teams will be tie and a deciding game will be necessary. The following is the standing:

R. H. E.	Won.	Lost.	P. C.
Keystones	100,100,001—3 5 3		
Baydies	010,000,000—1 3 4		
Umpire—D. J. Louis.			

The Church League will likely come to a close next Saturday, when the Ascensions and Saint Thomas' teams will play for the sweaters. This league has not been running smoothly since it was organized, despite the fact that promoters have been working hard for its success. Teams have been dropping out all season and, in view of the circumstances, the two leading teams will play for the championship next Saturday.
