The New Humphrey

Intensified Incandescent Gas Lamp.

Using Ordinary Gas Pressure.

The excellent results obtained with the above
lamp are worthy the consideration of all busi-
ness men who desire to obtain the most light at
the least cost.

A good example of this system of lighting
may now be seen at the West End premises of
the Hon. George Knowling, where the new
lamps have recently been installed.

We invite comparison, and will be glad of the
opportunity to prove the merits of the "Hum-
phrey" Lamp, which we will instal free of charge
on trial.
