GOOD SHOES Reflect Good Judgment

On the Manufacturers part in the choice of materials and in the selection of styles that well dressed men will find appealing. On the dealers part, in handling high grade shoes for the sake of the prestige gained in the eyes of the people who appreciate quality. On the purchasers part in discerning value and appraising quality.

Invictus Shoes,

Manufactured by Geo. A. Slater, are good shoes in every sense of the word. We have just opened a large shipment of these well known Shoes. We are sure to have a particular style suited to your own especial requirements.

WALT MASON hate to be in that blamed teacher's shoes! When I'm a Norfolk has properly taken jurisdic man, unless he's dead, for all my prevent its taking time. And if you grief and pain, I'll surely punch his take more time for any purpose, old bald head, and split his face in twain." The years passed by, and however worth while, you will have became a man of famous might: nad a great and stalwart frame, my whiskers were a sight. And so I sought that teacher out: I met him at is door, and said to him, "I was, old cout, a pest in days of yore. When recall the fiendish tricks I played, with ribald glee, I wonder that you sed small sticks when you were ounding me. I was a wicked little ub, who riled you all day long; you hould have used a big spiked club, to show me I was wrong." The teacher fell upon my neck, and I reclined on his, and through his tears he said, "By heck!" and I remarked, "Gee

If soft-boiled eggs remain from reakfast, boil them hard at once; then they are ready to use in salads or

Inexpensive handkerchiefs for school children can be made out of sheer lawn or India linen dresses that are worn out. Green tomatoes can be fried the ame as green peppers. Slice them,

dip them in oil, then in breadcrumbs and fry in fat. All boxes on top shelves should have plainly marked labels on them, elling the contents of the box. This

saves much time. A fine polish for floors can be made melting the short ends of candles and mixing them with equal parts of

Potatoes will remain firm and mealy all winter if air-slaked lime is sprinkled over the barrels or bins; the lime abcorbs the moisture.

To save time on washday drop all the little things like handkerchie's into a pillowcase-shaped bag of mosquito netting and pin this to the line. If you would have your rush bushes lourish, water them with the suds from the tubs on washday. This method will apply to most any growing thing.
