13,000 Sold First 60 Days

The success of this new model four cylinder Overland car has grown astonishingly from its first day. The factory has never caught up with orders.

No other four cylinder car in the world at anywhere near the price of this new Overland model can equal it in value.

Note the graceful lines its 112 inch wheelbase gives to it.

Note its body finish—a rich brown with hood and boot to match.

It combines beauty with efficiency—safety with power—comfort with economy.

Compare it with other cars in its price class and note its many superior qualities.

The beauty of its design—the ease with which it glides along—the power of its motor—the completeness of its equipment.

Every worth-while feature found in the highest priced cars is included in its make-up.

Yet this Overland costs you considerably less money.

Ask us for a demonstration. Let us show you why this car proved itself an instantaneous success.
