A Cool Kitchen.

JUST TURN A VALVE.

The Oliver Oil-Gas Burner makes
cooking in summer a pleasure instead
of a task. Gives heat when you want it,
and only when you need it. Does away
with coal and wood—cheaper. Makes
your stove or range a gas stove. No
fires to make. No ashes, dirt, smoke,
odor, chopping, shoveling—carrying
coal or wood. Makes your stove bake
better, cleaner, quicker. Thousands in
use over 10 years. Doesn't change your
stove, just fits in the box, absolutely
safe. Lasts lifetime. Makes gas from
coal oil (kerosene). Saves money, time,
labor. Burns to fit all kinds of
stoves. Call and see it demonstrated
at 30 1/2 Prescott Street. If you cannot
come tell us and we will demonstrate it
in your own home. may12.31
