

GIANTS CONFIDENT OF CAPTURING BIG GAME IN CHICAGO

Sallee or Perritt Will Do
Flinging for New York;
Doubtful Who Will
Pitch for Sox

Chicago, Oct. 12.—The world series warfare between the Giants and the White Sox, enters into the closing stage of the baseball campaign here tomorrow, when the two teams meet in the fifth contest of the series at Comiskey park. Each club has two victories notched in their bat battles and the club that wins two of the remaining three games to be played will bear off the honors of the series.

The Giants came to town late today, chipper and confident. They had bowled over the American league champions twice at the Polo grounds, and the New York pitchers had not allowed a run. The Giants were confident that they had the edge on their opponents and would decide the baseball supremacy by beating the White Sox on their own grounds, and then put over the fourth victory in New York next Monday. The Giants have faced the best of the Sox hurlers and say they do not fear them.

"We have beaten Givens," said Charley Herson, the Giants second baseman and captain said tonight "and we can beat him and that shine ball any time we choose to."

Sallee or Perritt
The New York pitchers are in fine shape and have had plenty of rest. Sallee is regarded as McGraw's choice for Sox work tomorrow, but if the weather continues cold—it was close to the freezing point tonight—it is probable that "Poli" Perritt may be chosen.

McGraw has found though that the Sox do not take kindly to left handers and some of the Giants believe that the plan is to "southpaw" the Sox out of the series.

White Sox Not Discouraged
The White Sox came home on a special train tonight not a whit discouraged by the upset in New York. They gave full credit to "Buck" Benton for his work in Wednesday's game, but could not understand why they did not make any progress against Schump's fast curves. The Sox seemed to think that Benton always will be a hard proposition any time he starts, but believe that Sallee or Schump will find themselves running to cover if they go against them again.

Eddie Choate tonight that he was ready to work tomorrow if called on, and Reb Russell is fairly begging Manager Rowland for a chance to face the Giants. Russell told everybody on the train that all through the National league season the New York club had its troubles whenever a good left hander showed any speed and curves.

The Sox agreed that the Giants looked like a smart and fast ball club on Thursday and that it was a team that would take a lot of beating once it was in its winning mood.

Manager Rowland said tonight that he had not made up his mind as to the pitcher for tomorrow's game.

Joe Jackson insisted that the Sox batting slump was only of two days' duration and that the Sox back fences would come in for a bombardment once the club was under way.

It snowed here today and then rained and there was a constant threat of a storm tonight, though the weather man gave a cheering forecast of fair and cold. There was a winter nip to the air.

The members of the National commission sent word about the game would be played unless it rained or snowed or an unusually cold wave prevented.

Seats for Saturday sold tonight at a high premium. Fifteen dollars was paid for a box seat and \$10 was asked by the speculators for a grandstand seat. Late tonight a long line of fans gathered at the gates of the unreserved stands. Five were hit and men were wrapped in greatcoats and blankets.

NEW RECORD MADE
New York, Oct. 12.—A new record of 55 feet 1 1/2 inches for throwing the 56-pound weight in unlimited run-and-follower style was made by Matt McGraw.

CRESCENT JUNIORS WIN THIRD STRAIGHT RUGBY GAME

But They Had Some Diffi-
culty in Defeating Game
Sunalta Team

The Crescent Heights junior rugby boys won their third straight game yesterday when they defeated Sunalta by a 5-0 score. The game was by no means one-sided. The boys played hard from whistle to whistle, but they were unable to work in a score.

In the first half of the game the ball was held up in center field, neither team gaining their yards more than twice.

In the third quarter the Crescents used their halves continually on backs and end runs. Several times they reached the Sunalta line but were unable to put the ball over. The Sunalta line held together in fine style.

The beginning of the fourth quarter found the Crescents in possession of the ball within ten feet of the Sunalta goal. The winners bucked their way over on the second down for the only try of the game. The try was not converted. The game ended in mid-field with Sunalta in possession of the pigskin.

The teams lined up as follows:
Crescent—Newer, Kronoth, Wong, Livingstone, quarter, Adams; center, Allan; outside, Gibson and Davidson; inside, Messenger and Doll.

Sunalta High—Backs, Singleton, Jones (capt.), Culler, Shulman; quarter, Munni; center, Albright; outside, St. Clair and McKay; middle, Gale and Anderson; inside, Fowler and Parks.

NOTES ON THE GAME
Mr. Woodman and Mr. Rosboro acted as officials.

The Sunalta boys have been training hard under Carl Scott. Their team is a credit to any league.

Jones and Singleton played in great style for Sunalta, while Newer, Anderson and Gibson starred for the Crescents.

MIKE GIBBONS TOO STRONG FOR MANTELL

St. Paul Wonder Defeated
Dayton Boy in Two
Rounds

St. Paul, Minn., Oct. 12.—Mike Gibbons proved too strong for Frank Mantell, of Dayton, Ohio, tonight, and won a technical knockout when Referee Hughie McMahon stopped the bout in the third round to prevent further punishment. Gibbons won all the way and at no time did Mantell have a chance. The St. Paul phantom danced in, delivered a stiff right or left and danced away again, leaving Mantell practically helpless. The decision of the referee was popular with the crowd.

Johnny Noye outpointed Stanley Yaskum and Carl Leonard beat Schauer in preliminary bouts.

BROWN TAKES ACTION

Three-Fingered Mordecai Gets
After Federal League.

Chicago, Oct. 12.—Mordecai Brown, the veteran three-fingered pitcher, has filed suit in Federal court here, it became known today, asking for the appointment of a receiver for the National American and defunct Federal league to compel payment of \$1,500 which he claims is still due him on his Federal league contract.

L. Behrman, counsel for Brown, said tonight that when the Federal league signed a peace agreement with organized baseball, the league's assets were distributed among the clubs of the National and American leagues. Brown wants these assets collected and a receiver appointed for them. Chas. Weeghman, of the Chicago National league club, took over the Chicago franchise.
