Car Struck Lorry.
A lorry loaded with biscuits was struck by a street car in charge of Motorman Frank Hancock on Dundas street, as it emerged from the McCormick factory Saturday afternoon. Hancock stopped as quickly as possible, and little damage was done, excepting the breaking of a window in the motorman's vestibule.

Blocked Street Cars.
An individual in charge of a horse and buggy who drove eastward on Dundas street between Richmond and Clarence streets, on the street railway tracks, Saturday afternoon, and who refused to heed the warning to move out of the way, attracted the attention of Detectives Nickle and Egelton, who witnessed his stubbornness. The driver was warned to comply with the traffic regulations and was permitted to proceed.

Strathcona Trust Drills.
The work of judging the pupils of the various public schools for physical drill will be completed Wednesday.

cal drill as outlined by the Sprathcona trust will be completed Wednesday.

Today the judges, Messrs. J. K. H. Pope, C. R. Somerville, F. E. Perrin, Major McCrimmon and Q. M. S. McKinney, together with Inspector Edwards, are on their tour of the schools, and expect to complete the work by Wednesday. The military drill was conducted in the Armories on Friday.

Officers Elected.
The following officers were elected at a meeting of Princes of Wales Lodge, Daughters of England, held in Society Hall: Worthy president, Mrs. Wood; vice-president, Miss Day; past president, Mrs. Bruzzell; secretary, Mrs. Hooper; treasurer, Mrs. Dymon; chaplain, Miss E. Andrews; first guide, Mrs. Vinen; second guide, Mrs. Braund; third guide, Mrs. Newman; fourth guide, Mrs. Dilsdale; inside guard, Mrs. Day; outside guard, Miss Freeman; pianist, Bro. Henshaw; physician, Dr. Nelson George. The trustees and auditors were re-elected.

A London Lady.

The Baptist Review, Chicago, Ill., of a recent issue has the following to say of Mrs. Ed. Bonney, formerly Miss Mina Taylor, of this city. "Some many—people in Canada are undoubtedly glad they declined Uncle Sam's offer to trade without formality or consideration. For did we not treat them to a good example of Yankee swappings when we received Mrs. Ed. Bonney in return for a sincere 'thank you' with our best musical intonation? But musical as we modestly admit our diplomatic voice is known to be, we confess to receiving the usual Yankee end of the trade in music. Mrs. Bonney's name on the program for a solo, or any form of vocalization, means music, capital M, and in italics, sun. It is contagious, for the choir is showing, reading and singing musical signs in a way that makes 'music in the air.' The song service Sunday evening, Oct. 27, brought Mrs. Bonney many compliments on her work with the choir and her solos. Mrs. Bonney has proven herself a skillful artist as well as an able leader. This department of the work has not been in better condition for years."

**DENNIS COMPANY
WILL EMPLOY 150**

Structural Steel Plant Will Be Built
in the East End If Bylaw
Carries.

The ratepayers of the city should vote for the Dennis Wire and Iron Works Bylaw, which will be submitted on Jan. 1, because it means the securing of a new industry for the city without costing the taxpayers one cent.

Employment will be given to 150 men by the company within a short time.

Six years ago the Dennis Company was paying \$18,500 in wages and salaries annually. At the present time the salary list is \$50,000 a year.

With the additional accommodations afforded by the terms of the bylaw, the annual payroll will soon be nearly doubled.

The bylaw is being received favorably by the citizens on account of the fact that it is not a bonus, but simply the guarantee of a loan of \$25,000.
