THEY'LL MAKE THREE R'S SOUND DIFFERENT

WINDSOR, Jan. 15. — With Rube Deneau of Canadian League baseball history on the town council, and Arthur Pelkey on the board of education the town of Ford's athletic interests should be well looked after. Deneau can look after the voungsters' sand lots to play the youngsters' sand lots to pla on, and Pelkey has already started a propaganda for more boxing and less of the three R's. The Rube ought to make a great municipal man. On the ball field he was always crafty and was thinking most of the time when he hadn't ball players. He won't get as many headaches on the latter job as he did playing professional ball. Pelkey has his arena already built with a seating capacity of 600. Pelkey should make good at his new home. He is a quiet, good-mannered chap, and would have traveled far through the paths of fistiana if his jaw paths of fistiana if his jaw hadn't been so prominent and
