SARNIA AND L.A.A.A. SHAKE UP **BATTING ORDERS FOR BIG GAME**

Strathroy's Win Makes Border- NEW DUNDEE ELEVEN ers Look Less Awe-Inspiring To Locals.

NO BILL CHOICES

the L. A. A. A. nine will meet the invading Sarnians, leaders of section B dict. of the Southern League. The troupers games in their group from the Tunnel City will be accompanied by "Smoky Joe" Allan, and will be in full strength for a tilt which, if won, will put them almost out of reach Stulz. of the other clubs in the first series

The Sarnians do not look quite so awe-inspiring as they did before the lowly Strathroy team snipped their winning streak off short recently. A win for the locals here tomorrow would be the making of them in their double-header back with the Sarnlans on July 1, and they realize that fact. Strengthening Up.

Strengthening Up.

"Dinny" is busy strengthening his line-up for this important hattle, and is overlooking no opportunity whereby the local or of effilite selection as to who will twirl, and will not likely do so until game time.

With nice weather, a large crowd will be on hand to encourage the London youngsters, along in their attempt to set back the all-star border club which has been travelling at such a fast clib all season. While Dinsmore's choice lays between "Chet" Johnson, Baker or Balkwell. Johnson has rounded into good shape of late, and it would occasion no surprise were he to get the assignment, while Balkwell has been turning in some good exhibitions in the Manufacturers' League, and is very arious to try highers. The old reliable Herb Smith will do the receiving for the locals, and of late has been turning in some high-class work. "Smitty" is one man who can really give a good exhibition at practically any position on the diamond, and, coupled with his good batting eye, makes him a very valuable player to have around.

Sarnians Switch.

The Sarnia observer says:
"Sarnia's vitching choice has not been made, but it is Bill Moorehouse's turn to take the mound, and, if the schedule goes through, Joe Allan will do outfield duty.

"The Sarnia batting order will likely undergo a change, and Joe Allan and Eddie Moses will likely be moved up the start of the schedule goes through, Joe Allan will do outfield duty.
