LONDON, Jan. 18.—At to-day's session of the Parnell commission, Captain Plun kett, an Irish magistrate, testified comerning the various outrages committed in Ireland. He maid he knew of nothing in Ireland. He said he knew of nothing supporting the tenants in their resistance to authority sweet the support given by the national land league. Capt. Plunkett said that matters have improved in Ireland since the coercion law had passed. The counsel for Parmellitas talled the attention of the court to a placent in such by the Sheffield Telegraph, on which was printed. The league murder ring, confession in open court." Presiding Justice Hannen requested that the matter be submitted to court in form of an affidavit.

Created a Red Impression.

LONDON, Jan. 18.—The evidence given by Capt. Plunket before the Partiell commission to-day, and the sorry appearance he made while giving it, have fallen very far short of elevating him in popular esteem. His snewers were given in such a low voice that the counsel were compelled repeatedly to request him to speak louder. His manifest embarassment was painful throughout; but during his cross-examination he recovered his composure somewhat and made a better impression.
