

CANADA.

From the Montreal Morning Courier of Dec. 4.
Latest from Colonel Gore,
OCCUPATION OF ST. DENIS AND ST.
CHARLES:—PURSUIT OF THE
REBELS TO ST. HYACINTHE.

We are happy to be authorized to state that the detachment of Her Majesty's troops under Colonel Gore, after spending Friday night at St. Charles, entered St. Denis early on Saturday morning. Yesterday they were at St. Charles; and to-day they are to march upon St. Hyacinthe, in pursuit of the rebels, Papineau and Nelson, who are supposed to have fled in that direction. St. Charles and the other principal villages on the Richelieu are to be occupied until further orders.

We ought to add, that the bowitzer, and the five wounded men left behind on the 23d ultimo, were recovered; and that the property of the rebel Nelson, as well as the houses from which he and his gang fired on Her Majesty's troops, were burnt.

Thus, within the short space of eight days have forty-five miles in extent of the most populous and wealthy portion of this district been traversed in arms by Her Majesty's troops, in vindication of the outraged laws of the country, and the rebels who had compelled the deluded peasantry to take arms against their lawful Sovereign, completely put to flight. A large reward, we understand is offered for their delivery into the hands of Government.

One of the murderers of Mr. Chartrand has been arrested, and confessed his crime. His name is Langlois. It appears that Chartrand was made a prisoner by a body of about a dozen men, of whom he, Langlois, was one; that they dragged him to a school-house near, and after a few women's mock-trials sentenced him to death as a spy, though he had left St. Johns on private business.

Five of their number accordingly shot him on the spot. At the first discharge he received three wounds, but was not killed; and another of the party then stepped up and shot him dead. Langlois was induced to confess and make confession by the influence of the priest, to whom he confessed his crime.

Our readers are generally aware of the fact that four militia Colonels in Gloucester County have volunteered to bring down their regiments to Lower Canada; and that the Laws of Upper Canada allow the Governor to require the militia of that Province to serve here in case of need. The following extract of a letter handed to us yesterday, refers to this subject.

Lancaster, 27th Nov. 1837.

Dear John—I take the opportunity of informing you that I went yesterday to see Col. Alex. Fraser, A. M. Martin, and John McGillivray, Esquires, who are determined to go down when called for, and say that they can raise at least 2000 effective men between the Counties of Gloucester and Stormont, at a very short notice; in fact, in Lancaster, and near our place particularly they are all a man ready, even those we used to call Radicals, are ready to turn out; they say although they are radical to reform, they never will fight against Britain. On my way down I met with a number of inhabitants who declared that they were always ready to give every assistance in their power, to their friends in Lower Canada; and that they would lose the last drop of their blood before they would allow the tyrant Papineau, General Brown, or any other rebel whatsoever, to tyrannize or rule over the free-born sons of Britain. The Gael's gadgils and dohrair in a soup phrasion as na Frangach leis na Baogaiden. All they are waiting for, are instructions from Head Quarters. I am, &c. &c. A. M. B.

Literally signify, the Gael's determination to use the French rebels with the utmost rigour.

THOMAS S. BROWN.—Many of the United States papers have endeavoured to exalt the rank and form of this renegade, and have claimed him as a citizen, and native of Vermont. To this claim we should have heartily assented, if the following letter had not come into our hands.

St. Andrews, 14th Dec. 1837.

Mr. Editor, I observe in a number of the Provincial and United States Journals frequent mention made of Mr. T. S. Brown, who is forcing himself into notice as an Agitator and rebel, connected with the Papineau faction in Lower Canada.

This "worthy," as you style him in your last number, (worthy of a halter I hope you mean) is a native of this town; his name is Thomas Storrow Brown, being called for a Capt Storrow on the half pay list, who resided on Campbell, and afterwards in St. Andrews, and was married to an aunt of our Hero by the mother's side. His father Henry P. Brown, was long Clerk of this place and Saint Stephen; a respectable, loyal, and very useful member of Society. He removed from this place in 1806, when T. S. B. was about eight years old; of course he is now about thirty nine. After trying his hand at farming on an extensive scale in Worcester, he removed to Boston and kept a genteel Boarding House in High Street. In his younger days I do not believe that Storrow himself could have discovered a bump on his perianthium, indicative of pugnacity, and I think that till this day, like his leader Papineau, he had rather be the spectator of, than the actor in a battle field.

His mother was a lady esteemed and respected by all her acquaintance wherever she resided; and his paternal grandfather taught the young Idea how to shoot, for very many years in Halifax, Nova Scotia. I thought the foregoing hasty and imperfect sketch might be interesting to some of your readers. And am, Sir,

Your most obedt. Servant
ANDREW BOWEN.

COUNTY MEETING.

St. Andrews, 5th Dec. 1837.

To the Sheriff of Charlotte, Sir,—We have to request that County Meeting may be called by you, with as little delay as possible, that the inhabitants may be afforded an opportunity, publicly to express their disapprobation of the conduct pursued by the disaffected inhabitants of Lower Canada; and to declare their firm determination to support the Queen's Government by any and all means in their power.

Thos. Wyer, J. C. P. William Ker, J. P. John Wilson, J. P. James Rait, J. C. P. James Douglas, J. C. P. Joseph Watson, Wm. Porter, Thos. B. Wilson, R. M. Andrews, D. W. Jack, John Wilkinson, Geo. F. Campbell, W. C. M. Gray, William Atkinson, Thos. Turner, Thos. Sims, William Babcock, Geo. McCulloch, T. Watt, J. B. Brown, James Hutchinson, James Brennan, Wm. Curry, John Cassilis, Miles S. Hannah, Henry O'Neill, W. Chandler, Wm. Scott, John McMaster, Isaac Garcelon, Geo. N. Smith, Samuel Getty, A. D. McVicar, John Bailey, W. R. M. Law, Alex. Buchanan, John D. Cameron, James Campbell, John Campbell, Donald D. Morrison, John Mann, Geo. Duncan Dewar, Bernard Sharkey, Alex. McDougal A. Provan.

In addition to the above names, those of many gentlemen would have been signed, if they had had an opportunity of doing so; but as it was necessary to publish the notice promptly for timely information to the whole County, the requisition was sent to be printed before those who were temporarily absent could affix their signatures to it. Altho' the meeting might have been called at the request of a dozen or so of respectable persons, yet we are sure that the sheet might have been covered if it were thought necessary. We deem it proper to make these remarks in consequence of intimation at the meeting by the Rev. Dr. Alley the Rev. Alex. McLean, Alfred L. Street, Esq. Captain James Boyd, and several other gentlemen, that they had every desire to sign the requisition, if they had been in the way when it was handed round.

In pursuance to the preceding requisition a very numerous and respectable meeting took place in the Court House, on Wednesday 13th inst.

Colin Campbell Esq. High Sheriff, in the chair, who, after stating the object of meeting, read the following communication from the inhabitants of St. Stephen, St. James, and St. David.

St. Stephen, 11th Dec. 1837.

High Sheriff of Charlotte County, Sir,—Pursuant to the second resolution in the enclosed account of the proceedings of a public meeting held at St. Stephen's this day; I herewith transmit you the same, with a request that they may be read from the chair at the county meeting called by you for the 13th instant.

I would also remark that it is regretted by many of the loyal inhabitants in this section of the county, that the present almost impassable state of the roads will prevent their attending the general meeting; and in consequence they took this mode of proceeding, to show that they do not in any way disavow the call of the chief Magistrate on so important an occasion, nor that they will heartily respond to any expressions of loyalty that may emanate at the county meeting above alluded to.

I am, Sir, Your most Obedt. Servt.
THOMAS ARMSTRONG,
Chairman.

St. Stephen, 8th Dec. 1837.
To John Campbell Esq.

You are hereby requested to call a public meeting of the Inhabitants of St. Stephen, St. James and St. David, for the purpose of nominating proper persons to represent

these parishes at the county meeting called by the High Sheriff at St. Andrews on Wednesday next.

Thomas Armstrong J. P. Samuel Abbot J. P. Nehemiah Marks J. P. James Frink, J. P. Geo. M. Porter, J. P. S. Thompson L. L. D. Doctor of St. Stephen, Geo. S. Hill M. P. P. Robert Watson, Peter Stubbs, Alex. Campbell, Geo. F. Thompson, Thos. B. Abbot, Robert Lindsay, Abram H. Marks, David Upton, Andrew Lindsay, S. P. Pink, Wm. Campbell, Geo. Hunter, Wm. C. Scott, Aaron Upton, Z. Campbell, J. N. Clarke, S. H. Hinchings, Wm. Andrews, James Aibee, Michael McGinnis, Joseph Moore.

Pursuant to the foregoing request a public meeting was duly called at the School house, in St. Stephen on Monday the 11th December at 3 o'clock p.m., at which Thomas Armstrong Esq. was called to the chair, and Mr. John Campbell appointed Secretary. On motion of Peter Stubbs Esq. seconded by James Frink Esq. the following Resolution, after being amended by the Rev. Dr. S. Thompson was adopted.

That the rebellious proceedings in Lower Canada, are viewed by this meeting with just abhorrence, that an appeal to arms by the subject is unwarrantable, while the principles of the constitution are left inviolate by the Government; that this meeting deems the present unhappy condition of Canada, the result of faction and intrigue, and doubt not that the vigorous execution of the Laws under Her Majesty's Government will soon lead to a happy conclusion of the present difficulties. To effect which, this meeting will be prepared to give all the aid which loyal subjects in their circumstances can afford.

On motion of Geo. S. Hill Esq. seconded by Robert Watson Esq.

Resolved, That the proceedings of this meeting be signed by the Chairman and Secretary and transmitted to the High Sheriff with a request that it may be read (from the chair) at the general county meeting to be held at St. Andrews on Wednesday next.

THOMAS ARMSTRONG, Chairman.

On motion of Joseph N. Clarke Esq. seconded by Thos. B. Abbot Esq.

Resolved, That Samuel Abbot Esq. take the chair, and that the thanks of this meeting be given to Thomas Armstrong Esq. for his able conduct therein.

JOHN CAMPBELL, Sec.

St. Stephen, 11th Dec. 1837.

Geo. F. Campbell was then appointed Secretary, when it was moved by H. Hatch Esq. and seconded by A. L. Street Esq.

That a committee be appointed to form Resolutions with an address to His Excellency the Lieutenant Governor.

The chairman proposed W. F. W. Owen R. N. James Brown Esq. the Hon. James Allan Esq. H. Hatch Esq. the Rev. Dr. Alley, Robert Thompson Esq. the Rev. Dr. Thompson L. L. D., the Rev. Dr. Dunn, the Rev. Mr. McLean and the Rev. Mr. Verker, as a committee for that purpose, which being unanimously agreed to, these gentlemen retired for a few minutes and then proposed the following Resolutions and Address which being read by the Hon. J. Allan Esq. and then by the chairman, were unanimously adopted.

Resolved, That this meeting views with unfeigned regret and abhorrence the unnatural rebellion excited by a factious party in the neighbouring Province of Lower Canada, a rebellion which cannot be foreseen, and therefore deems it expedient to lose no time in assuring His Excellency the Lieut. Governor of this Province of the ardent attachment of this portion of Her Majesty's loyal subjects to Her Majesty's Government and of their entire confidence in His Excellency to whom its administration in this Province is confided, and that it is ready to tender its best services for the maintenance of Her Majesty's Government, and its legitimate authority in whatever way His Excellency may deem most expedient and beneficial.

Resolved, That an Address to His Excellency the Lieutenant Governor founded upon the foregoing Resolution be immediately prepared and forwarded without delay.

To His Excellency Major General Sir JOHN HARVEY K. C. H. & C. B. Lieutenant Governor and Commander in Chief of the Province of New Brunswick, &c. &c. &c. May it please Your Excellency.

We the Clergy, Magistrates, and principal Inhabitants of the County of Charlotte deem it an imperative duty, now that Rebellion is openly manifested in the Province of Lower Canada, and that the lives and property of Her Majesty's loyal and faithful subjects in that Province are exposed to wanton and wicked destruction; to express to your Excellency, the great value we set on the privileges we enjoy under the British Constitution, and we are satisfied that this feeling entirely pervades the great mass of Her Majesty's subjects in this Province.

Convinced as we are that the great body of the disaffected in Lower Canada are deluded by a few designing and factious individuals who aim at nothing short of the dismemberment of a portion of Her Majesty's Colonies from the British Empire, and who have seduced from their allegiance, the ignorant and misguided peasantry, and contrived to obtain a melancholy influence over their minds; We find it difficult to convey to Your Excellency in appropriate language, our feelings of indignation at the conduct of those disturbers of the public weal and peace, and our unqualified sorrow for their deluded followers in the Rebellion now too fatally manifested.

In order to place Her Majesty's forces as much as possible at the unembarrassed disposition of the Executive Government in this province. We take this early occasion to re-

assure Your Excellency, that the Inhabitants of this County can never forget their origin, and will ever glory in their loyal attachment to Her Majesty and to the constitution derived from the paternal Government of Her Ancestors, and that we are ready and desirous to support the same, whenever and wherever occasion shall or may require, and in whatever way your Excellency may deem most beneficial for the restoration and maintenance of the peace, order and the supremacy of the Laws.

Moved by A. L. Street and seconded by H. Hatch, That the address be signed by the chairman on behalf of the meeting—and countersigned by the Secretary.

Moved by G. N. Smith and seconded by J. Wilson, that the communication read by the chairman from St. Stephen, St. James and St. David be adopted as part of the proceedings of this meeting.

Moved by J. Wilson and seconded by J. H. Whitlock, that the proceedings of this meeting be published in the Saint Andrews Standard.

COLIN CAMPBELL, Chairman.

Moved by W. F. W. Owen and seconded by A. L. Street, that the chairman leave the chair, and the Hon. James Allan Esq. be requested to take the chair.

Moved by G. D. Street and seconded by Rev. Dr. Thompson L. L. D., that the thanks of the meeting be given to the chairman for his promptness in calling the meeting, and for his able and impartial conduct in the chair.

Geo. F. CAMPBELL, Sec.

Three tremendous Cheers for the QUEEN and CONSTITUTION were given by the Assembly at the conclusion of the foregoing proceedings.

Previous to leaving the chair, the Sheriff as senior Lt. Col. of the Charlotte Militia, requested the officers present to remain after the general meeting broke up, when a numerous assembly of the gentlemen belonging to the four Battalions took place, in the Jury Room.

Lieut. Col. Wyer was called to the chair, and adjutant Whitlock requested to act as Secretary.

After briefly stating his motive for requesting their attendance Lt. Col. Campbell moved the following resolution which was seconded by Lt. Col. Hatch and adopted unanimously.—That a loyal address be presented to His Excellency the Lieut. Governor and Commander in Chief, expressive of the devotion and attachment of the Charlotte Militia to Her Majesty's Person and Government, and of their determination to support and preserve inviolate, the glorious British Constitution, with heart and hand to the utmost extent in their power.

On motion of Capt. Brown seconded by Capt. Hunter, resolved that Lieut. Col. Campbell Wyer, Hatch and Mowat be a committee to prepare and forward the Address.

On Lieut. Col. Wyer leaving the chair, it was taken by Lieut. Col. Hatch who addressed the Meeting in an animated and appropriate speech,—when thanks were voted to the former gentleman for his able conduct in the chair.

Capt. Boyd commanding the Rifle Company of the 1st Battalion then addressed his Commanding officer Lieut. Col. Campbell, and tendered his services with those of his Company to perform garrison duty or any other duty that might be required by His Excellency.—His spirited letter, a copy of which is annexed will form an interesting feature in this day's proceedings, and is highly creditable to that active and zealous officer and the excellent Company he commands, who if called into active service will be found as efficient as any in the Province.

After some discussion, it was concluded upon that the Commandants of the several Battalions should immediately call their officers together, to give such as were absent an opportunity of expressing their sentiments.

MILITIA OFFICERS MEETING.

At a meeting of the Officers of 1st Batt. Charlotte County Militia, at the High Sheriff's Office, on the 14th inst. present Lt. Col. Campbell; Maj. Garnett: Captains, Boyd, Whitlock, Connick, M-Master and Rodger; Lieuts. Berry, Grant, Aymar, J. Berry, Whitlock, M'Callach, Getty and Wilson; Ens. M'Curdy; Adj. Whitlock; Q. M. Jack; and Surgeon Frye. Lieut. Col. Campbell having taken the Chair, Lieut. T. B. Wilson was appointed Secretary.

It was unanimously Resolved; That the Officers of the 1st Batt. Charlotte County Militia feel it a duty, in consequence of the disturbed state of Lower Canada, to express their firm attachment to Her Majesty's person and government; and to tender their services to His Excellency the Lieutenant Governor, whenever his Excellency may deem it expedient to call them into requisition; and they have every confidence that the non-commissioned officers and privates of the Battalion, will respond to these sentiments.

Resolved; That Col Campbell be requested to transmit the above Resolution, forth-

with to His Excellency the Lieut. Governor and commander in chief.

Resolved; That the proceedings of this Meeting be published in the Standard.

THOS. B. WILSON, Sec.

St. Andrews, 13th Dec. 1837.

CORRESPONDENCE.

Lieut. Col. Campbell,

Dear Sir, The Rifle Company under my Command, of which you are Colonel, viewing with abhorrence and disgust the revolutionary movements in Lower Canada, have this morning requested us to convey to you their loyal sentiments on the occasion, with an offer of service, and they beg me to assure you that they will most promptly respond to any call made upon them in whatever way may be most beneficial to the service. I need scarcely add that I am as ready to lead as they are to follow.

I have the honour to be, Sir, Your most obedient servant,
JAMES BOYD,
Capt. Rifle Company,
1st Battalion C. C. Militia.

St. Andrews, 15th Dec. 1837.

Sir, I was much gratified, but not at all surprised, at the receipt of your letter of the 13th inst. containing a tender of your services and those of your Company to perform Garrison duty or any other duty that may be required of them by His Excellency the Lieutenant Governor and Commander in Chief, as it might naturally be expected that men who have invariably set an example of zeal and good conduct on the parade and elsewhere in the time of peace, should be amongst the foremost to come forward with an offer of support to the Government in time of danger. I shall most cheerfully forward your letter through the proper Channel to His Excellency.

And am, Sir, Your most obedt. servant,
COLIN CAMPBELL,
Lieutenant Colonel
1st Batt. Charlotte Militia.

Capt. James Boyd,
Commander the Rifle Company,
of the 1st Batt. Charlotte Militia.

The Quebec Gazette of Dec. 6, contains a proclamation by Lord Gosford, Governor General of the Canada, declaring the Montreal district under martial law, and offering a reward of £1000 for the arrest of Mr. Papineau, and £500 each for others who distinguished themselves by their opposition to the royal authority.

The continuation of our article on Prince Edward Island, has been interrupted by a crowd of local matter, but will be resumed anon; in the meantime we can inform those who take an interest in all the doings of all these Colonies, that the great meetings of the 8th and 15th Nov. took place, of which a correspondent of the Colonial Herald says "the occasion, the numbers in attendance, their loyalty, blended with a spirit of freedom and independence, are above all my powers to describe." Agitation is the byword of the times—but agitation conducted in subordination to moral and political rule by persons petitioning for the correction of abuses and asserting their reasonable rights—is a very different thing from the tumultuary assemblages of misled herds like the poor devoted simpletons of Lower Canada, who have broken away from the pale of the Constitution, as Kiah's Asses did from his enclosures, but without a goal to seek for them. The cause of the P.E. Island farmers; those industrious, ill used people, sounds righteously in the ear of justice; and it is to be hoped that their constitutional procedure will eventuate in securing to them the means of prosperity and peace.

UNITED STATES.

THE PRESIDENT'S MESSAGE.—The following extract from this state document, contains all that is said on the Boundary Question; which, it will be perceived, leaves the matter much in the same position it has maintained for years past.

"Of pending questions, the most important is that which exists with the Government of Great Britain, in respect to our north-eastern boundary. It is with unfeigned regret, that the people of the United States must look upon the abortive efforts made by the Executive, for a period of more than half a century, to determine, what no nation should suffer, long to remain in dispute the true line which divides its possessions from those of other powers. The nature of the settlements on the borders of the United States, and of the neighbouring territory, was for a season such, that this perhaps was not indisputable to a faithful performance of the duties of the federal Government.—Time, has, however, changed this state of things, and brought about a condition of affairs, in which the true interest of both countries imperatively require that this question should be put at rest. It is not to be disguised, that the full confidence, often expressed, in the desire of the British Government to terminate it, we are apparently as far from its adjustment as we were at the time of signing the treaty of peace in 1783. The sole result of long pending negotiations, and a perpetuating arbitration, appears to be a conviction, on our part, that a conventional line must be adopted, from the impossibility of ascertaining the true one according to the description contained in that treaty. Without dissuading in this opinion, which is not altogether to be well founded, my predecessor gave the strongest proof of the earnest desire of the United States to terminate satisfactorily this dispute, by proposing the submission of the conventional line, if the construction of the treaty in the question could be ascertained. To this proposition, no answer was received. The attention of the

Government has, however, been to the subject, and its report, confident, but much long general relations between the United States, are character, and I am well aware disposition of that Government to their disposition has also, I am more general with the people at any previous period, necessary to say to you, how coprocated by the Government the United States. The must be common to all, o sequences that result from irritating question, and a final settlement cannot be deferred, will I trust, lead to satisfactory adjustment.
