Prince of Wales, Hotelkeepers visiting the city should not fail to look over Messrs. McConnell & Co.'s great stock of liquors and extra-good and

The United States whiskey trust will contest the increase in tax on spirits in bond on the ground of illegal duty. President Greenhut all along has been in favor of making the fight on this basis Good legal authority has been secured for put in bond at 90 cents per gallon, there was an implied contract that the tax would not be increased on these goods while they were in bond. A fight will be made on this line.

The brewing of lager beer in the United States was begun about fifty years ago in the outskirts of Philadelphia. Before that brewery products were entirely ale and porter. Now, however, nearly all the output, which last year amounted to 33,822,000 barrels, is of lager. Each barrel contains 248 pints, or 436 glasses therefore, according to the latest internal revenue returns, there was made and sold last year an average of a glass of beer for every working day to every man, woman

Italy produces wine in floods nnual production is over 900,000,000 gallons. The last two years there were not barrels and bottles enough to hold it and cisterns were emptied of water to hold the wine. Itally is the largest pro-ducer in the world, though Spain and France lead it in exportation, as they make better and more regular grades. The wonderful possibilities in the cultivation of the grape are to be seen in the wine product of Southern Europe. France, Spain and Italy, together, produce about 2,400,000,000 gallons a and little Greece turns out about 70,000. 000, in addition to raising about 300,000, 000 pounds of grapes for raisins or zante

The South Ontario hotelkeepers met at Foy's hotel, Whitby, on Monday, and organized a society to be known as the "Ontario Licensed Victuallers' Associa-tion." Mr. J. W. Haverson, Toronto, solicitor, accompanied by the secretary of the Provincial Licensed Victuallers, was present, and much time was taken up in considering some amendments, which they propose to ask the Ontario Legisla ture to pass at its next session. The following were the officers elected: President. Mr. J. C. Woon, Oshawa; vice-president, Mr. John M. Gerow, Brougham; second vice-president, Mr. Daniel Whitney, Port Perry; secretary-treasurer, Mr. W. J. Foy, Whitby. ture to pass at its next session. The fol-

RELUCTANT CONFESSION.

The cash register monopoly is broken and the previous holders acknowledge the fact. Who broke it? The Hubinger Carroll Cash Registry Company. Why? Be cause they manufacture a superior reg ister to any on the market at half the price. Intending purchasers, don't misled by unscrupulous agents. Hubinger-Carroll Cash Register Company

will manufacture a register to suit your business from \$10 upwards. We have downed the serpent and we are here to stay. The fight is on and money is no object. The Hubinger Cash Register office is 67 Yonge Street, where you can get full information. Visitors to the fair should see this register, as we have more

A GOOD PLAN.

MR. J. ALBERT BRENNAN, of Tignish N.S., is a man who believes in doing all he can to advance the interest of his town. One method followed by him in further this laudable object, might adopted by business men throughout the Island, at a trifling cost to themselves, and much good to the town in which they It is this: In his correspondence Mr. Brennan uses envelopes on which is printed the following brief and concise description of his town: "Tignish, a flourishing farming and fishing village, the terminus of the Prince Edward Island Railway. Has high schools, convent, two churches, newspaper, two trotting parks, four hotels, etc. Tignish is noted for its beautiful situation and has the most beautiful climate of the Maritime Provinces. Surf and sea bathing within easy reach of the village. He concludes with a reference to the rush of business, and an invitation to patronize his store.

- Summerside, P.E.I., Journal.

IT IS BROKEN.

THE MONOPOLY
