THE BEST MUST WIN.

THREE TEACHERS of the Isaac Pitman Shorthand have been officially appointed as instructors of that subject in the three new High Schools of New York City. This system is almost daily being introduced into some of the best and largest schools in the country.—Penman's Art Journal, Oct.

Not bad, considering it is an English system, and has to win against the opposition of all the American systems.

This is the system we teach. Booklet showing the system mailed free. Send for it to-day.

Students can enter at any time. No better time than now.
