#### UPPER IRELAND.

The Rev. W. G. Faulconer reports:—

The beautiful stained glass window, executed by the well known artist, Mr. Spence, was in its place in the Chancel of St. Peter's Church, Black Lake on Sunday, July 12th. It was erected to the glory of God by the Ladies' Guild, the President at the time the money was devoted to this purpose being Mrs. Penhale.

This little band of Church workers, has never numbered more than nine members (this number includes all who could possibly be members) yet it has completely furnished the interior of the Church with Pews, Organ, carpets, matting, &c., the latest gift being the Window.

All the members of the Guild regret losing Mrs. Penhale who is leaving Black Lake. They however welcome the return of a former member, Mrs. Evans, who is skilled in the art of embroidery; and visions of chaste Altar Frontals &c., gladden the future.

The window is ready to be dedicated by our Bishop who will be gladly welcomed on his return from Labrador.

The several congregations of this large Parish are repairing the Rectory at Maple Grove.

#### NEW CARLISLE.

The Rev. Edgar B. Husband writes:—

I am glad to be able to report that the Church at New Carlisle will shortly be completed. Contracts have been let for the Spire and Interior. Work on the Spire has already commenced. Towards this object the S. Andrew's Guild have been working hard since February last, and their labours were crowned with success on July 9th when a successful sale of work was held in the Town Hall, which realized about \$180, a sum far exceeding their expectations. Our thanks are specially due to Mrs. J. L. Smith, and Miss E. Murison who presided over the Tables, and also to Mrs. W. L. Kempfer who took charge of the Refreshments, and to all for the energetic way in which they worked.

#### MAGOG.

The Rev. R. C. Tambs reports:—

Dr. Robillard has kindly placed at the disposal of the Silver Cross Dispensary of the King's Daughters a suitable room, off his drug store, free of rent, and the following sums have been received through Mrs. William Whitehead towards the same object:—Mr. A. F. Gault of Montreal, \$20.00; Mr. J. S. Bond of Boston, \$5.00; Mr. T. H. Brown of Montreal, \$3.00; Mrs. Jack of Montreal, \$2.00. Also received, a gentleman's dressing gown from Mrs. Janet Taylor. On Sunday July 12th, at the afternoon meeting of the King's Daughters three additional members were admitted to the Order.

On Dominion Day the "Lady of the Lake" ran a happy and successful excursion to Newport and back (sixty miles) under the auspices of the Ladies' Guild.

Much sympathy is felt with Mr. and Mrs. Appleton in their recent loss by scarlet fever of their bright little son Percy, aged six years. The sympathy is the deeper inasmuch as they are newcomers and had lost five little ones in England, so that they are now left with one little daughter.

Two marriages of prominent interest took place, on the 15th and 20th of July respectively:—Miss Helen Ruthven Johnson to Mr. Edward Fraser of Sherbrooke and Miss Edith Emily Hall to Mr. Harry Lawrence Perchard. At the former the Rev. Canon Thorneloe D. C. L. of Sherbrooke performed the ceremony assisted by the Incumbent. On both occasions the Church was beautifully decorated and the Service largely attended.

It is a cause of general satisfaction to our Church community that Mr. J. R. Wileox, who has shown so much interest and ability in the development of musical taste and talent since he came to Magog, has most kindly accepted the leadership of St. Luke's Choir.

#### BURY.

The new Chancel Window of St. Paul's Church, Bury, erected to the memory of the late Mrs. Richardson was dedicated on Wednesday evening, July 1st, advantage being taken of the presence in the Mission of the donor, the Rev. Canon Richardson. The Rural Dean, the Rev. Canon Foster, officiated, assisted by the Revs. W. A. Adcock, A. H. Moore, and the Incumbent. A suitable Service was used, printed copies
