

Bimphol's Toilet Vinegar supersedes Eau de Cologne as a tonic and refreshing lotion for the Toilet and Bath, a reviving scent for crowded assemblies, and a powerful disinfectant for apartments and sick rooms; its numerous useful and sanitary properties render it an indispensable requisite.

A trial bottle may be had for 1s. 6d.

There are several standard medicines, which, the longer they are used, the more popular they become; and we know of none that so well enjoys the confidence of the public as Dr. Stone's Liquid Cathartic. It is particularly recommended for rheumatism, neuralgia, pains in the head, side, stomach, and especially as it is used for the eradication of humors from the blood.—American Citizen, Lowell.

Abbott's Bitters act most beneficially on the Liver, the Stomach and Bowels, and in Constipation connected with long continued derangement of the biliary organs, tering Bilious Dyspepsia, will be found a most wonderful medicine.

For all those of Sedentary habits, it is the safest and best remedy.

Holtzow's PILLS are the only reliable remedy for the sexual disabilities and disorders of females. In cases where the functions peculiar to the organization of the sex have been suppressed, suspended, or in any way disordered, the mild and conservative action of the Pills will speedily restore their regularity. The terrible diseases which result from a neglect of these derangements, are well known to all physicians; and it is of the utmost importance that the means of their prevention should be within the reach of the whole sex. The subject is one upon which it is impossible to enlarge in the columns of a newspaper, but it would argue little care for the sufferings of the feeble portion of the human race, to pass it over in silence.
