

tion and discipline from the Lord Jesus alone."

Such evidences of Divine favour as these brief references disclose should increase the faith of Christian people in the power of the Gospel to destroy and supersede every form of error, superstition and idolatry, and encourage them to work and pray, and to expect the fulfilment of the promise,—“Ask of me and I shall give thee the heathen for thine inheritance, and the uttermost parts of the earth for thy possession.

LITERARY.

**EUCHOLOGION**, being forms of public worship and a book of common order, issued by the Church Service Society of the Church of Scotland, has appeared in its third edition, revised and enlarged. It is a book for ministers, especially for Presbyterian ministers, who will find it eminently serviceable in promoting the order and solemnity of public worship. As such we commend it to their notice. It may be ordered through W. Drysdale & Co., 232 St. James st., Montreal,—who have placed on our table **MAGGIE'S MISTAKE** and **GIUSEPPE'S HOEM**, beautiful story books, such as are wanted at this time of the year, and that may safely be put into the hands of the little folks.

**BRITISH AND FOREIGN EVANGELICAL REVIEW**.—By special arrangement with the English publishers, Messrs. James Bain & Son, Toronto, are enabled to furnish this valuable quarterly at \$2 per annum—less than half what it would otherwise cost. The October part fully sustains the good reputation of the periodical. Those who wish to avail themselves of this cheap literary treat should send their names and their money to Toronto before the 10th of this month.

**CHURCH OF SCOTLAND HOME AND FOREIGN MISSIONARY RECORD**.—We have to thank the Colonial Committee for the monthly parcel of RECORDS that has reached us with great regularity, and we congratulate the editor on his successful efforts to infuse life and interest into its pages.

**THE PRESBYTERIAN AT WORK** is one of the most useful of American monthly sheets published in the interests of the Sunday School, and the expositions on the International series of lessons which accompany it are altogether the best that we are acquainted with. The price is only 75 cents per annum postage included. This also may be obtained through Drysdale's, Montreal.

**PRESBYTERIAN YEAR BOOK AND ALMANAC** for 1875, and to be continued yearly, edited by Rev. James Cameron, Chatsworth, Ont., and published by Messrs James Campbell & Son, Toronto, will appear immediately and is intended to be a trustworthy book of reference on all important matters connected with the Presbyterian Churches of British America: a means of spreading information as to the history, work, and prospects of Presbyterianism in this and other lands: as a beginning also in the work of collecting statistical information that may serve the purposes of future historians, and, further, as a means of bringing Presbyterians to know each other better, and of uniting them in common work. The price of this book will be only 25 cents in paper

covers; 40 cents in cloth. Every Presbyterian should have it.

**THE SHEPHERD KINGS** of EGYPT, by Rev. John Campbell, M.A., professor of Church History, &c. Presbyterian College, Montreal.—A laborious and learned attempt to build up a consistent and harmonious scheme of early Egyptian history based upon a comparison of names of men and places mentioned in different histories and mythologies. Mr. Campbell finds the key to ancient universal history in the first book of Chronicles, and claims that the right use of that key will afford a new revelation of God in his dealings with nations. Some readers may find the pamphlet “a wee dreech.”

**THE EVANGELICAL ALLIANCE** extra of the DAILY WITNESS, published by John Dougall, Montreal, pp. 100, price 25 cents. An admirable report of the proceedings of the first general conference of the Dominion Evangelical Alliance, with the full text of most of the papers read, and embellished with likenesses of the principal speakers. Mr. Dougall deserves credit for the spirited manner in which he undertook and accomplished this work, and we hope that he will be well repaid by a large circulation.
