MISSIONARY ITEMS.

There are said to be 30,000 out of 40,000 townships of France opened to Protestant preaching.

The sale of Bibles has recently been very large in Bulgaria, and there are signs, it is said, of deep religious interest.

The Presbyterian churches in Europe and America have raised a fund of \$45,000 for the support of Waldensian pastors in Italy.

In the beginning of this century there were but fifty languages into which the Bible had made its way in 3300 years. Since 1800 it has created seventy languages to carry its inspiration, and has enriched, in all, nearly 300, with 150,000,000 copies.

MISSIONS NOT A FAILURE.—The Record of the Free Church of Scotland says:—"Those who talk of missions being a failure may well ponder with advantage such facts as the following: (1.) At a missionary anniversary,

the Rev. Mr. Parkhurst said, 'In my travels round the world I saw not one single NEW heathen temple. All the pagan worship I saw was in old dilapidated temples. (2.) Not very long ago there were 100,000 idol-gods in Raratonga; but lately a young man from Raratonga, visiting the British Museum, saw among the wonders there the first Raratongan idol his eyes ever beheld. He was born and had lived nineteen years in Raratonga without ever seeing an idol, so clean a sweep had the gospel made. (3.) In India, 77,000 persons profess the Christian faith in connection with the Church Missionary Society. Lord Lawrence said, 'The missionaries have done more to benefit India than all other agencies combined.' Sir Bartle Frere said, 'They are working changes more extraordinary than anything witnessed in modern Europe.' (4.) A missionary among 10,000 Fijians said, 'I do not know of a single house in which there is not family worship.'"
