

Pepto-Mangan (Gude)

"MADE IN CANADA"

WHILE owned, controlled and manufactured in the United States, this standard Hematinic and general tonic is also manufactured in Canada, in order to more promptly meet the increasing demand due to its popularity among the medical men of the Dominion. Prescribed by physicians everywhere for more than twenty-five years.

SUPPLIED IN ELEVEN OUNCE BOTTLES ONLY. NEVER SOLD IN BULK

THE ONLY FACTORY OF ITS KIND IN CANADA

OTTAWA STANDARD HOSIERY --- Worthy, because made so. Wears longer and fits better than any other brand. Honest goods, made in Canada, upon order of the physician, according to measurements, from absolutely fresh elastic and best floss silk. No excuse now for accepting inert, lifeless stockings, so send in your orders and get freshly made stock. Your every order will prove a patient-keeper — stocking will do what you expect of it.
