Bees AND Honey.

I again embraced the opportunity that was open for exhibitors at the Toronto Industrial Exhibition for 1880, and am proud to say I was successful in receiving the

Highest Prizes and Diplomas

Awarded on Apian Supplies, Such as Bee Hives, Honey Extractors, Bee Smokers, Honey Comb Foundation, Bees Wax, &c.

Beekeepers have declared me to be Head Centre in Canada

for Comb Foundation, Hives, Extractors, &c., and I can safely say, at the end of another year, there will be more of my Hives and Extractors in Canada than of any other kind, and also more of my make of Foundation. I have manufactured two tons this season, which is more than all the rest manufactured in Canada. For prices, &c., send for Circular for 1881.
