"THE LEAVES . . . WERE FOR THE THE CANADA SELF-ACTING HEALING OF THE NATIONS!

In the modest little plant found growing by the roadside and known as Smart-Weed, or Water Pepper, reside medical properties of more than ordinary value. In Dr. Pierce's Compound Extract of Smart-Weed, these wonderful properties are combined with other vegetable extracts of acknowledged virtues in such a manner as to make it a most efficacious remedy for Colic, Cramps, Summer Complaint, Diarrhora, Dysentery, Cholera and Cholera Morbus. A celebrated medical author says: "A friend of mine had an only child dangerously ill with the Summer Complaint. He had employed a great variety of the usual means for relief, but all appeared unavailing. The child was finally given Smart-Weed which was entirely successful. It arrested the vomiting and purging in a short as to make it a most efficacious remedy for Colic, arrested the vomiting and purging in a short time, and without the aid of other medicine en-tirely restored the little patient." Dr. Pierce's Extract of Smart-Weed is sold by all druggists.

THE BROAD SHOULDERED LISTON.-Chas. Liston, of London, was one of the most eminent Surgeons of modern times. Pulmonary consumption was hereditary in his constitution, but when the first symptoms showed themselves, did he shut himself up in his office? No, he knew, from his vast experience, that such a course meant speedy death, but he bought a boat, and every morning rowed for an hour on the Thames, and this exercise, in connection with WINGATE'S PULMONIC TROCHES, carried him to a ripe old age, with unimpaired vigor, and he was always known as, "the Broad Shouldered Liston." Yet after his death, an examination showed a long deep sear in his left lung, where the foul disease first broke out, and was effectually cured.
