

PARAGRAPHIC.

A SURE REMEDY FOR NEURALGIA.

Neuralgia is one of the most common and painful affections incidental to this climate. Life to thousands is made miserable by its agency, and as it affects the nerves, only the most powerful and penetrating remedies can reach it.

Artificial eggs are manufactured in a Pennsylvania town. The inventor probably wanted to help the hens bear their yolk.

CONSUMPTION CURED.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows.

A man advertises for a competent person to undertake the sale of a new medicine, and adds that it will prove highly lucrative to the undertaker.

One of the reasons why Scott's Emulsion has such a large sale is, because it is the best. Dr. W. H. Cameron, Halifax, N. S., says: "I have prescribed Scott's Emulsion of Cod Liver Oil, with Hypophosphites, for the past two years, and found it more agreeable to the stomach and have better results from its use than any other preparation of the kind I have ever used."

Let no man overload you with favors; you will find it an insufferable burden.

If there is anything in this world calculated to make a man forget that he has been to hear Moody and Sankey on the previous evening, it is to bounce out of bed in the morning and light on the business end of a tack. Should any be so unfortunate, don't swear, but use Minard's Liniment; it will extract the poison and heal up the wound quickly; it is a wonderful flesh healer for man or beast.

Never excuse a wrong action by saying some one else does the same thing.

"One of the most perfect instruments for sound instruction concerning the Church that has been offered to Churchmen. The whole temper of the book is courteous, kindly and humble. This book ought to be in the hands of every Churchman. Of all books upon this important subject it is the most readable. It is popular and attractive in style, in the best sense. We commend it most heartily to every Clergyman for personal help and parochial use. We would, if we could, place a copy in the hands of every member of the English-speaking race. And we are assured, that once begun, it will be read with interest from preface to conclusion. No better text book could be found for a class of adults, who desire to give a reason for their faith, and be Churchmen in reality.—Church Record.
