THE GREATEST. MEDICAL DISCOVERY OF THE AGE.

MR. KENNEDY, OF ROXBURY,

HAS discovered in one of our common pasture weeds a remedy that cures EVERY KIND OF HUMOR, from the worst Scrafula down to a common Pimple. He has tried it is over eleven hundred cases, and never failed except in two cases, (both thunder humor.). He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing-sore mouth.

One to three bottles will cure the worst kind of pimples on the face.

Two or three bottles will clear the system of hiles.

Two bottles are warranted to cure the worst canker in the mouth and stomach

Three to five bottles are warranted to cure the worst case One to two bottles are warranted to cure all humor in the

eyes.

Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and run-

One bottle will cure scaly eruptions of the skin.

Two or three bottles are warranted to cure the worst case of ringworm.

Two to three bottles are warranted to cure the most des-

Two to three bottles are warranted to cure the most desperate case of rheumatism.

Three to four bottles are warranted to cure salt rheum.

Five to eight bottles will cure the worst case of scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Nothing looks so improbable to those who have in vain tried all the wonderful medicines of the day, as that a common wood growing on the postures, and along old stone wills. mon weed growing on the pastures, and along old stone walls, should care every humor in the system, yet it is now a fixed fact. If you have a humor it has to start. There are no is nor ands, hums nor ha's about it suiting some cases but nor yours. I peddled over a thousand bottles of it in the vicinity of Boston. I know the effects of it in every case. It has already done some of the greatest cures over done in Massachuready done some of the greatest cures ever done in Massachusetts. I gave it to children a year old; to old people of sixty. I have seen poor, puny, wormy looking children, whose flesh was soft and flabby, restored to a perfect state of health by

one bottle. To those who are subject to a sick headach, one bottle will always cure it. It gives a great relief to entarth and dizziness. Some who have taken it have been costive for years, and have been regulated by it. Where the body is sound it works quite easy; but where there is any derangement of the fonc-tions of nature, it will cause very singular feelings, but you must not be alarmed; they always disappear from four days to a week. There is never a bad result from it; on the con-trary, when that feeling is gone, you will feel yourself like a new person. I heard some of the most extravagant encomi-ums of it that ever man listened to.

"LANARE, C.W.

"During a visit to Glengary, I fell in with your Medical discovery, and used three bottles for the cure of Erysipalus, which had for years afflicted my face, nose and upper lip. I perceive that I experience great benefit from the use of ir; but being obliged to return to this place in a hurry, I could not progress any more of the Medicine. I made different constitutions procure any more of the Medicine. I made diligent enquiry for it in this section of the country, but could find none of it. My object in writing is, to know if you have any Agents in Canada; if you have, you will write by return of mail where the Medicine is to be found.
