Montreal Office—Craig Street

Mercantile Summary.

DAN FRASER'S blacksmithing business, at Westville, N.S., has been sold to Dan Monro, of Rocklinn.

THE New Glasgow *Chronicle*, which laments that the Acadia coal mines are almost idle by reason of the loss of contracts, because the price of coal was raised, notes that L. H. Cumming, of Westville, dry goods dealer, has bought the tailoring business and stock of McKay Bros., of that place, and removed it to the Munro Building.

THE fellow-employés of Mr. H. L. Peiler, long a clerk in the Bank of B.N.A. in Montreal, have presented him with an address, etc., on the occasion of his going into partnership with Mr. G. H. E. Blaiklock, under the firm name of Blaiklock & Peiler, to conduct the custom house, brokerage and forwarding business.

A CIRCULAR from the head office of the Canadian Pacific Railway last week, indicates the following changes in the staff: "Mr. Geo. Olds, general traffic manager, having, at his own request, been relieved from active service, the position of general traffic manager is abolished, and the following appointments are made to take effect this date:—Mr. G. M. Bosworth, freight traffic manager, with office at Montreal, in charge of freight traffic on all the company's lines. Mr. D. McNicoll, passenger traffic manager, with office in Montreal, in charge of passenger traffic on all the company's lines. Mr. Robt. Kerr, traffic manager of the company's lines west of Fort William, with office at Winnipeg."

AN assignment is made by Wm. Cardwill, tailor at Cobourg. In 1889 he was employed as cutter by J. S. Hamilton, whom he then succeeded, having a very small capital. Two years ago he claimed a surplus of \$3,500 over liabilities of \$1,900. More than this sum was represented by open accounts. In view of this fact his inability to pay now is not difficult to understand.—In April, 1889, Saunders & Mitchell succeeded Eakins Bros. as grocers at Harriston. In 1891 they dissolved and John Saunders continued the business. In March last he claimed assets of \$2,100 and liabilities of \$500. Now we hear of his assignment—James Childs, coal and wood, Ingersoll, has assigned.

SOME important firm changes are reported among Montreal business houses. The firm of John Duncan & Co., wholesale teas, is dissolved, and the business will be continued by John Patterson alone, under the old style. It is understood Mr. Hutchins, the retiring partner, will reside in London, Ont.—Ransome, Forbes & Co., wholesale grocers, have also dissolved. Mr. Forbes has purchased the interests of the Messrs. Ransome, senior and junior.—Mr. Geo. D. Law has been admitted to an interest in the old-established wine house of Law, Young & Co.—Messrs. Peter Schneider's Sons & Co., extensive wholesale dealers in upholstery goods, of New York and Montreal, have disposed of their Montreal business to Mr. Wm. Bailey, who has managed it for them, and who will continue it in his own name.—Messrs. Hill & Forbes, in wholesale paints, etc., are about dissolving. Mr. Forbes will join his brothers, who are continuing the grocery business formerly carried on by Ransome, Forbes & Co., under the style of Forbes Bros.—The old established hat and fur firm of B. Levin & Co. has been dissolved by effluxion of time. It is understood that Mr. Levin will continue the fur business under the old style.

Stop that
- - Waste

Culling lumber with a circular saw wastes 25 per cent. of the log in saw dust, while a Band wastes but 10 per cent., producing 20 per cent. more lumber, cutting it also truer, smoother, nearer to the ultimate size.

Why not investigate?

The Band is no experiment.

We build the new "ALLIS" Band—acknowledged the best. Band Saw Tools. Band Saws. We will teach your circular man how to handle Band Saws successfully. Write us to-day.
