TRADE AND INVESTMENT PROMOTION PLANNING SYSTEM

Mission: SANTIAGO

Market: CHILE

In support of Canadian exports in this sector/sub-sector the mission is currently engaged in activities which include:

Activity: Exporcorma '89  
Expected Results: Introduce Cdn cos to market and increase current exports

For the next fiscal year, the mission will carry out the following approved fairs and missions:

Activity: Forestry Mission to Canada  
Expected Results: Insure that Chilean decision makers are well aware of Cdn

Activity: Expocorma '91
