Global Quota

Unit of Measure:

Shell eggs: Dozen

Egg products: Kilogram (KGM)

Note:

EIPB commodity codes for eggs and egg products consist of a 10 digit harmonized system tariff item and a 4 digit EIPB suffix. To find the correct commodity code to be entered on the permit application, locate the correct product category in column D, select the corresponding code from column 1 and select the appropriate column from A to C, depending on the type of permit requested, and append the suffix shown in that column to the tariff item.
