

4. The provisions of paragraphs 1 and 2 shall not apply if the beneficial owner of the dividends, being a resident of a Contracting State, carries on business in the other Contracting State of which the company paying the dividends is a resident, through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the holding in respect of which the dividends are paid is effectively connected with such permanent establishment or fixed base. In such case the provisions of Article 7 or Article 14, as the case may be, shall apply.
5. Where a company which is a resident of a Contracting State derives profits or income from the other Contracting State, that other State may not impose any tax on the dividends paid by the company, except insofar as such dividends are paid to a resident of that other State or insofar as the holding in respect of which the dividends are paid is effectively connected with a permanent establishment or a fixed base situated in that other State, nor subject the company's undistributed profits to a tax on undistributed profits, even if the dividends paid or the undistributed profits consist wholly or partly of profits or income arising in such other State.

ARTICLE 11

Interest

3. Notwithstanding the provisions of paragraph 2:
 - (a) interest arising in a Contracting State and paid in respect of indebtedness of the government of that State or of a political subdivision or local authority thereof shall, provided that the interest is beneficially owned by a resident of the other Contracting State, be taxable only in that other State;

 - (c) interest arising in Kyrgyzstan and paid to a resident of Canada shall be taxable only in Canada if it is paid in respect of a loan made, guaranteed or insured, or a credit extended, guaranteed or insured by the Export Development Corporation.
