

FISHER: Thank you Mr. Wrong, and you too Mr. Atherton for coming on this broadcast. I see that our time is about up. We have been broadcasting this series for very nearly two years now and this is the first time that I have had the pleasure of having two Ambassadors on a program at the same time. I think that among the things you have done in discussing relationships between our two countries there is this point: --- you have shown that the language of diplomacy does not always have to be used to veil. Thank you both for being in our studios for this broadcast.
