**Hon. Donald S. Macdonald (President of the Privy Council)** moved that Bill C-194, to provide supplementary retirement benefits for certain persons in receipt of pensions payable out of the Consolidated Revenue Fund and to amend certain acts that provide for the payment of those pensions, as reported (without amendment) from the Standing Committee on Health, Welfare and Social Affairs, be concurred in.

Motion agreed to.

[Mr. Deputy Speaker.]

**Mr. Deputy Speaker:** When shall the said bill be read the third time?

**Some hon. Members:** By leave, now.

**Mr. Knowles (Winnipeg North Centre):** Next sitting of the House.

**Mr. Deputy Speaker:** Next sitting of the House.

Order, please. I understand the Minister of National Health and Welfare (Mr. Munro) wishes to revert to Motions for the purpose of tabling a document.

**Mr. Baldwin:** Mr. Speaker, we are glad to give our consent but let me say, as a caveat, that it is not the intention of this party to give consent from now on to motions which are not made at the appropriate time unless there is justification for this being done, and we do not consider justification to be the need to synchronize with press releases.

#### TABLING OF DOCUMENT COVERING ADMINISTRATION OF MONEY FOR NATIONAL GOVERNING BODIES

**Hon. John C. Munro (Minister of National Health and Welfare):** Mr. Speaker, I have a very short statement indeed. I desire to table a document. The main emphasis in the policy embodied here is a substantial reorientation of financial resources in the program to give more adequate backing for the administration of the money of the national sports governing bodies.

In that connection, Mr. Speaker, and on this general subject matter of sports, I should like to recognize two youth ambassadors from Saskatchewan who are travelling across Canada inviting all provinces to participate actively in the 1971 Canada Winter Games at Saskatoon. The young ambassadors to whom I refer, Marie Robson and Bill Ehman, are outstanding athletes.

**Some hon. Members:** Hear, hear!

**Mr. Donald MacInnis (Cape Breton-East Richmond):** Mr. Speaker, in respect of the short statement made by the minister, along with all other members of the House I am very pleased that these two young athletes are with us today. We certainly wish them success in their travels across the country.
