

mate tender below that of Messrs. *MacLean, Roger & Co.*; and that so much of the thirteenth Report of the Joint Committee of both Houses on the *Printing* of Parliament, as is consistent with the foregoing Resolution, be adopted.

Mr. *Mills* raised a point of Order,—that two days' notice should have been given, before submitting the original motion to The House.

Mr. Speaker decided:—"that the point of Order was well taken, as in accordance with the 31st Rule of The House, a notice of two days was required, to entertain any Resolution.

The Bill No. 90 from the Senate, intituled: "An Act to amend and consolidate the Laws respecting Indians," was read the second time, considered in Committee of the Whole, amended, reported, and the amendments concurred in, *on a division*.

Sir *John A. Macdonald* moved, that the Bill be now read a third time.

Mr. *Casey* moved in amendment thereto, that the Bill be not now read a third time, but that it be re-committed to a Committee of the Whole, with instructions that they have power to amend it, by leaving out all the words in Section 23 between "made to him" in line 13 and "issue" in line 14, and inserting the following:—"summon before some Stipendiary Magistrate, Police Magistrate or Justice of the Peace such person or Indian; and such Stipendiary Magistrate, Police Magistrate or Justice of the Peace shall, after hearing the complaint and defense, if the complaint be proven to his satisfaction;" which was negatived *on a division*.

The Bill was then read a third time, and passed.

The Order of the Day for the second reading of the Bill No. 118 respecting the Quebec, Montreal, Ottawa and Occidental Railway, was on motion of Mr. *Pope* (P.E.I.) discharged, and the Bill withdrawn.

The Bill No. 121 to make better provision respecting the navigation of Canadian waters, was read the second time, considered in Committee of the Whole, amended, reported, the amendment concurred in, and the Bill read a third time, and passed.

The amendments made by the Senate to the Bill No. 11 relating to Interest on moneys secured by Mortgage on Real Estate, were taken into consideration.

On motion of Mr. *McDonald* (Pictou) it was *Resolved*, That the second amendment be not concurred in, for the reason that it is inexpedient to restrict the provisions of Clause 5 of the said Bill to any class of Mortgage securities, as contemplated by the said amendment,—and that the third amendment designated Clause "A" be not concurred in, for the reason that the subject matter of the said Clause is, in great part beyond the Jurisdiction of this Parliament.—The remaining amendments were then concurred in, and a Message was ordered to be sent to the Senate to acquaint them with the foregoing Resolution.

Mr. *Wallace* (Norfolk), from the Joint Committee of both Houses on the *Printing* of Parliament, presented the fifteenth Report of the said Committee, which is as follows:—

The Committee carefully examined the following Documents and recommend that they be printed, viz.:—
