

MEMORANDUM

McGILL UNIVERSITY

FROM THE PRINCIPAL AND VICE-CHANCELLOR

MONTREAL

TO _____

Mr. Matthews:-

Please return -- I presume that there is nothing to this?

DM

John Joseph McCarrey received the degree of Doctor of Veterinary Science in 1896.

A duplicate diploma cannot be issued without the approval of Senate so that if Dr. McCarrey wants a duplicate his application for it must be brought before Senate. In addition there is a fee of \$10.00.

The previous statement issued evidently satisfied Dr. McCarrey. Mr. Matthews suggests we send him another giving him the above information.
