ment. They share his confidence that there will be found among our citizens both the ability and the will to contribute the remainder of the funds necessary to successfully accomplish his benevolent and patriotic object, and they agree with him that the amount provided for the building and equipment of the hospital should be at the least \$150,000.

"To provide for the erection and management of the hospital the trustees propose to act upon a suggestion of Mr. Macdonald by arranging for the appointment of a committee of citizens in whom, as a corporation, the property shall be vested, and subject to whose control the work of the hospital shall be carried on.

"The Trustees desire to convey to Mr. Macdonald the assurance of their sincere hope that although the generous motive to secure the success of the institution has led him to withdraw his original suggestion that his daughter's name should be associated with it, he may have the gratification of seeing her earnest wish fulfilled by the hospital not only proving in an eminent degree a blessing to the afflicted, but also materially contributing to the advancement of medical science.

"Ordered that the draft agreement and letter above set forth be filed in this office until the Hospital Trustees have completed their work of organization, and thereupon the agreement and letter be placed in their custody, and form part of the records showing the history and origin of the proposed hospital."

From a perusal of the draft agreement and letter and the resolution in question, the Senate will understand that the Board of Trustees accepted Mr. Macdonald's proposed gift on the terms, amongst others, that the University was to provide the site, and agreed, as suggested by him, to arrange for the appointment of a committee of citizens, in whom, as a corporation, the property should be vested, etc.

At this stage, one of the questions to determine was the name. A member of the Board suggested that of "The Park Hospital," because of the proposed location. This seemed to meet with general approval and shortly thereafter the undertaking of the Board, to arrange for incorporation, was made good by a number of prominent citizens being incorporated under the General Act for the purpose of carrying out the project. These Trustees were the following, namely—The Hon. John Macdonald, The Hon. Frank Smith, William Christie, George Gooderham, Henry Cawthra, James Crowther, The Hon. C. S. Patterson, James Scott, John Hoskin, Eugene O'Keefe, The Hon. J. A. Boyd, George A. Cox, Larratt W. Smith, Col. Gzowski, E. B. Osler, Donald McKay, Daniel Wilson, The Hon. W. G. Falconbridge, A. H. Campbell, A. B. Lee, and W. Mulock. Eight of the number, namely—Messrs. Christie, Patterson, Hoskin, Smith, Gzowski, Wilson, Campbell and myself, being also members of the University Board.

I may here state that the declaration of incorporation contained, amongst others, the following provision:—
