*For the Treatment and Cure of Diseases not cured
with medicine or other methods of using Elec-
tricity with the ordinary Batteries and Elec-
trical Appliances of little or no value
(curatively).*

Patients treated either at the Institution, their homes, or in private apartments, for diseases Acute, Chronic, Obsolete, Nervous or others. We employ superior medical skill for Special Diseases—the Eye, Ear, Nose, Throat, etc.—who have had experience in London and other hospitals. **FEMALE WEAKNESSES.**—Uterine Diseases most successfully treated with Electricity; also **Nervous Debility** (a lack of nerve force), etc.

With the proper knowledge of compounding the best qualities of Electricity and the use of our new improved Medical Batteries the subtle fluid is made to obey the mandates of the will through nature's fixed laws, and thus act upon the most obstinate forms of disease, speedily changing the condition to health and vigor, and as kindly and quietly as the genial rays of the sun in spring-time mellow the frozen earth and infuse new life in the soil.

The mystery in making such marvelous cures is simply in knowing how to utilize the most potent and effective means in the world. Evidence in abundance of the highest type confirming all and more than we claim for this mighty agent properly manipulated from our superior machine. (A complete handbook with each battery.)
