Mrs. Pankhurst's Defi.

LONDON, March 14.—(Can. Press.)—Mrs. Emmeline Pankhurst addressed a large, orderly meeting in Edinburgh tonight. She said she was certain to be convicted at her trial on April 1, because she would make no legal defence, but that she would immediately begin a hunger strike, and as a result of this confidently expected to address the suffrage meeting to be held in Albert Hall April 10.

AT IT AGAIN

PLACE COUNTRY BEFORE PARTY IN OFFERING AID TO EMPIRE APPEAL OF MANY CANADIANS

Montreal Papers Strongly Support Position Taken by South York Member—Would Eliminate Bitter Political Controversy and Win Approval of Great Body of Public Opinion.

MONTREAL, March 14.—(Special.)—Speaking of Mr. W. F. Maclean's speech of Thursday The Herald (Labour), says: "Mr. W. F. Maclean's remarks in the house yesterday were both timely and sensible. He urged that the interest of Canada, and of the empire called for unanimity of parliament on the naval question. He spoke as a Canadian autonomist, wholly opposed to the Borden resolutions becoming the basis of a policy of contribution, but willing to support them in order to strengthen the imperial navy at this time. In order to attain harmony of action he suggested a compromise, under which Mr. Borden would modify his proposals, but two Dreadnoughts instead of three, and put the rest of the money into a fleet unit for the Pacific coast. By this plan the advantages of the policies of the two parties would be preserved and consolidated, the decision of the country could be left until the next general election, the unseemly wrangling in the commons would cease, and the spectacle would be presented to the world of a united Canada.

NEW YORK, March 14.—(Can. Press.)—The Hawthorne mining trial, which has dragged along nearly four months before a jury in the federal court here, came to a close today with the conviction of the three defendants, Julian Hawthorne, Dr. Wm. J. Morton and Albert Freeman, and the acquittal of Josiah Quincy, twice mayor of Boston, and assistant secretary of state during the Cleveland administration.

Dawn of Peace Not Yet

LONDON, March 14.—(Can. Press.)—The ambassadorial conference will meet here tomorrow to consider the reply of the allies to the offer of the European powers to mediate in the war in south-eastern Europe. The reply, it is believed, will fall to supply a reasonable basis for successful mediation. It is assumed that the allies have presented impracticable terms in the belief that Europe is divided into two hostile groups and will be unable to agree to employ coercion against them. There is little doubt also that the allies expect the early fall of both Adrianople and Scutari. It is stated in Belgrade that the Serbian army now preparing to march toward Scutari numbers 42,000 men.

WIFE OF KHEDIVÉ HAS DISAPPEARED

Austrian Consort of Egypt's Ruler Causes Sensation by Vanishing. Special Cable to The World. LONDON, March 14.—(Copyright.)—A story is published in the newspapers here today saying an extraordinary sensation has been created in Cairo society by the sudden disappearance of the Khedive's consort. The lady, who is Austrian by birth, unexpectedly vanished several days ago, and no trace of her has been found. Owing to the reluctance of the Khedive's court to say more about the affair than is necessary, the exact date when the lady disappeared cannot be ascertained, but of the main facts there is no doubt whatever. Cairo is in the full swing of the season at the present time, and it has been impossible to keep the matter altogether secret, despite the Moslem traditions of the country. The present Khedive's wife is well known in general society.

TERRIBLE STORY OF IMMORALITY WAS TOLD

Amy Steyn, Eighteen Years Old, Was Taken to Downtown Offices, Hidden in a Large Safe, Housed With Foreigners and Finally Died in Jail.

"I cannot believe that you were not shocked by the revelations produced in the witness-box tonight," said Coroner Dr. Young at the inquest at the Morgue last night into the death of Amy Steyn. "This is the worst kind of immorality, is going on in the City of Toronto—this, the city of churches—and to think that this condition of affairs exists. If the mother's story is true, a girl not more than a child was procured by a woman, nothing more than a fend, and taken down town on a pretence of going to one of the larger stores, and was landed in an office on King street and ruined by some man, for whose back the lash is not made too hard. This young girl was arrested in a place on St. David's place, where she was living with a number of foreigners. This place was described by officers as unfit for man or woman. She was taken to No. 1 Police Station, and later to the jail.

SNOW PREDICTED TO FALL TODAY

Lightning-Like Change From Remarkable Spring-Like Weather to Winter Again.

For March 14, the temperature yesterday was remarkable. The mercury rose 25 degrees higher than the average for spring, the highest reached being 64. The lowest was 48. With the rain last night the air became even warmer. The downfall was accompanied by the first thunderstorm of the year and per usual on such occasions the power supplied by the Toronto Electric Light Company went off, but fortunately for only a short time. The spring break-up occurred on the Humber River during the rain-storm and the accumulation of ice swept to the lake with a mighty force, lifting logs from the shores and carrying them down the river. Very little damage was done to property, although the residents along the river banks were caught unawares. According to the weatherman winter is returning, snow flurries being prophesied today. The rain came from the east, striking Quebec at 3 o'clock in the afternoon and reaching here about ten last night. Western Ontario was also given a good soaking. It is not thought that the wet weather will continue. That spring has come is proven by the fact that a number of canoeists ventured out on the lake off the Beaches and on the Humber River.

CROTHERS AND PUGSLEY CLASH PERSONALITIES ROUSE HOUSE TO HIGH PITCH OF FEELING

Closure Threatened

OTTAWA, March 14.—(Special.)—Hon. Robert Rogers announced to the house tonight that hereafter the debate on the naval bill would be kept within strict bounds, and that the rules of the house would be enforced against dilatory discussion. "If these rules are not sufficient," he continued, "the government will bring in amendments which will make them sufficient. Representing as we do the majority of the people, we intend to pass this bill, believing it to be in the best interests of Canada and the empire."

PART OF MICHIE'S AND BALDWIN LAND SOLD

East Nineteen Feet of Michie & Co., Limited, Property Bought Presumably by Dominion Bank—Four Hundred Thousand Dollar Deal For McConkey Restaurant.

Two large King street deals have been virtually closed. One is at \$400,000 for the Baldwin property at 23 and 31 West King street, near Jordan street, and the other for the east 19 feet 8 inches of the Michie property. While nothing definite can be learned as to the purchaser or the exact price of the Michie piece, it is quite safe to say that the buyer is the Dominion Bank and the price about \$15,000 a foot. The land is needed by the bank to square off their site for the 100-foot high building which they are to start erecting in April. Without this property they would have 165 feet on Yonge, 75 feet on Melinda and 55 feet 8 inches on King, the latter a rather narrow elevation of a tall building. The Michie frontage would give them 5.5 feet on King. The piece sold has a depth of 31 feet 10 inches and the deal would run to about \$300,000. The total city assessment is \$85,000. Retain Twenty-Nine Feet. Charles E. Stone, the secretary-treasurer of Michie & Co. Limited, said: "The nineteen foot piece is sold. I am not at liberty to tell you who are the buyers or the price they paid. That is their business. The deal will be completed in a few days." Michie's retain twenty-nine feet, running thru to Melinda street. The tenants in the property have to vacate by May 10. A. Clubb & Sons, who have the ground store lease, have all but closed for another site for their main store. All the property in the Dominion Bank building site is to be vacated early in May. Another Big Deal. At \$11,010 a foot a deal is practically closed for the purchase of the property of the Edmund Baldwin estate at 29-31 West King street. The land is the west part of the McConkey restaurant site, and the deal is going thru subject to a lease that has until April, 1914, to run. A condition in the lease that gives the estate the right to purchase the building at the end of the term at an arbitrated figure will be taken advantage of by the buyer. The total figure in the deal is \$400,000. The property has a King street frontage of 36 feet 2 inches and a depth of 188 feet thru to Melinda street. Plans Not Announced. People closely interested in the transaction say that while the deal is far enough advanced to announce, the buyers are not yet in a position to declare their identity or plans, nor will they be for a week or more. The city assessment department values the land at \$154,800 and the buildings at \$20,000. To the east of the property under sale is the Manning estate property and to the west the Quebec Bank's stone building. The property is on the south side of King, just west of Jordan street and 350 feet from Yonge street.

Slippery Bill Allusion

Moves Ex-Minister to Counter Insinuations and Tumult Reigns Unchecked—"Dastardly" and "Ungentlemanly" Epithets Used by Pugsley—Premier's Arrival Finally Puts End to Violent Scene.

OTTAWA, March 14.—(Special.)—There was a violent scene in the house this afternoon, and for nearly an hour complete pandemonium. Hon. T. W. Crothers, minister of labor, and Hon. William Pugsley, ex-minister of public works, were the two principal figures in the wordsy encounter, but members on both sides by loud cries and constant interruptions threw the house into great disorder. Mr. Armstrong of East Lambton, who was in the chair, did his best to preserve the peace, in which laudable effort he was assisted by Finance Minister White. Both Mr. Crothers and Mr. Pugsley were quite belligerent, and their supporters were egged them on. Mr. Melgoin, the Conservative member for Portage la Prairie, and Mr. Boyce (W. Algoma) took an active part, and the unprecedented spectacle was presented of government supporters appealing from a decision of the chair. Only the entrance of the prime minister brought the members back to their senses, the disorder ending as quickly as it began, with neither side victorious. How it Started. It appears that night before last when Hon. George P. Graham was speaking on the naval bill, he made the statement that a shipyard suitable for the construction of dreadnoughts could be established at a cost of \$4,000,000. Being asked what authority he had for this statement, he referred to the big shipbuilding plant at Fall River, Mass. Now with the president of this firm Mr. Pugsley has had considerable correspondence with which he has favored the house upon many occasions. The government supporters, seeing that Mr. Graham was simply following in the wake of his colleague from New Brunswick, called out, "Your authority is Pugsley."

War of Words.

This led to another scene of wild disorder. Mr. Crothers, backed by his friends, demanded that Mr. Pugsley should withdraw the words "dastardly" and "ungentlemanly" while Mr. Pugsley and his supporters no less vehemently insisted that Mr. Crothers must withdraw and apologize for his reference to "Slippery Bill." Chairman Armstrong, whose voice could scarcely be heard thru the incessant din and confusion, appealed to both gentlemen to withdraw their statements, and after some semblance of order had been restored, Mr. Crothers explained that he had only used the phrase "Slippery Bill" in a general way, having no particular person in mind, but if Mr. Pugsley was of the opinion that the word was offensive, he would withdraw it. Dinsens's Dollar Hats. Saturday night is the time for dollar hats at Dinsens's. The regular weekly sale begins at 6 o'clock and stores close at 10 o'clock. It is called the basement sale, because these dollar hats are sold in the basement. This Saturday night sale of men's hats for one dollar is put on at Dinsens's for advertising purposes, and every person who gets one of these hats for one dollar at this sale remembers Dinsens with a good deal of satisfaction. Come on in with the crowd. W. & D. Dinsens Company, Limited, 140 Yonge street corner Temperance. The Play of the Century. The dramatic sensation, "The Princess," which was received by crowded houses here early in the theatrical season and which will be at the Princess next week, has been called by the critics "the play of the century." The advance sale of seats for the week is now open at the theatre.
