LARGE FORCE LANDED CONTINUOUS PRESSURE

Outer Defences of Beleaguer- Artillery Battering and Bayed German Stronghold Have Been Taken.

Special Direct Copyrighted Cable to The Toronto World.

TOKIO, Sept. 30.—It is asserted by Japanese aviators that they struck a German warship with bombs dropped from a height of 2100 feet during the last engagement at the port of Kiaochau. A monoplane and two bibleases chau. A monoplane and two biplanes were engaged in the assault. The wings of the three machines were riddled with rifle bullets, but they succeeded in returning to the Japanese lines without incident.

A considerable force has been landed from the Japanese force has been landed from the Japanese force has been landed.

from the Japanese fleet and is now co-operating with the land forces. Lao-che, described as a town of some im-

portance has fallen. Four field guns were taken in the assault.

Outer Defences Taken.

The outer defences of the beleaguered stronghold of the German are said in high official circles to have been captured by the British and Japanese assaulting columns. Japanese battleships continue to

pour an incessant fire on the fortifica-tions and two of the harbor forts are in ruins, thanks to the success of the Japanese aviators in furnishing the range. An attempt to run a blockade of the port by German cruisers and bat-tleships is anticipated. and a special squadron has been told off to block this effort when it eventuates.

Practically All Classes of Re-Shipments to Neutral Ports servists Are Called to Colors.

Enemies.

Copper Cargo Taken

Cotober has been confirmed by several Italian newspapers, according to the correspondent of the London Daily Mail at Venice. Eleven first category classes will then be under the flag, and will total 1,390,000 men now in Tripoli, Italy will have an army of 1,310,000 men in her own territory, divided into 30 army corps.

Continuing the correspondent says that Austrian troops are still throwing up defense works along the frontier, the Ponta Feltarvis line being defended by the Landwebr.

FOR WINTER FIGHTING

Ganadian Press Despatch.

ROTTERDAM, (Via London) Sept. 30.—Germans are pushing forward with utmost vigor their preparations for a winter campaign. Until recently apparently they had not conceived such an eventuality, but in the last few weeks they have learned much.

All the high class ships that formerly did nothing but make the best fur garments for ladies, are busily skin clothing for soldiers, and no fewer than 150,000 fur coats have been delivered, presumably for the use of officers. Two million sheep and lamb skins have been bought by the government for winter garments for the

BRITISH WARSHIPS ON

Canadian Press Despatch. NEW YORK, Sept. 30.—Captain R. Goetsche, in command of the Danish steamer United States, in today from Christiansand, said that he had picked up a wireless in the North Sea containing the information that 30 Pritish warships were on their way thru the Kattegat to help the Russian fleet in the Baltic Sea.

ATTACK ON NOMENY

Canadian Press Despatch LONDON, Sept. 30 .- The correspondent of The Times at Nancy, France, telegraphing under date of Sept. 26, gives an unconfirmed report that the French have retaken St. Mihiel, a fortified encampment on the Meuse, 20 miles southeast of Verdun and also miles southeast of Verdun. and also that they have captured the Prince of Bavaria at Normeny. 14 miles north of Nancy. The correspondent adds that according to the report the Germans are assaulting Normeny with the object of setting the arrives free. ject of setting the prince free.

"BOBS" HARD AT WORK IN DRILLING RECRUITS

Canadian Associated Press Cable.
LONDON, Sept. 30.—Lord Roberts is
82 years old today. It is over sixty
years since he fought in the Indian
Mutiny, and ten since he resigned as commander-in-chief. Just now he is hard at work, encouraging recruiting, inspecting new regiments, and col-lecting field glasses and saddlery for

use at the front.

Latest estimates show that twenty thousand Ulster volunteers have en-listed, which means one recruit out of every five volunteers.

GERMAN ARMIES IN GRAVE DANGER

onet Thrusts Are Having Effect Slowly.

Canadian Press Despatch.

LONDON, Sept. 20.—The Times has received the following despatch from its Paris correspondent. The message its Paris correspondent. The message is dated Sept. 25, and has been delayed by the censor. It analyzes the positions in the battle of the Aisne and the ter-rible fighting which took place in the valley of the Somme. The correspon-

dent continuing, says:
"Movements hitherto concealed or
vaguely hinted at are now unveiled,
and the frontal attack of the allies on the German position between the Oise and the Argonne now sinks into the that is that the German armies are in fashion in threatening both flanks of the enemy simultaneously, and he is compelled to fight for his life. He may succeed in extricating his force intact, for he is still formidable in every way. To save himself, however, he can hardly maintain his centre upon his present position, and it looks as if he will unfailingly have to retire in order to withdraw himself from the grin of will unfailingly have to retire in order to withdraw himself from the grip of the allies' claws. If he is unable to do this he is beaten, and it will be only the wreck of his forces which will then

reach the German frontier."

Little Change in Centre.

The Times has received the following despatch from its correspondent in

Sordeaux:
"The constant thrust of bayone "The constant thrust of bayonet charges and the battering of heavy guns has made but little alteration along the heavily entrenched German centre, but the less rigid flank positions have been hammered into broken and sinuous lines both on the left and the right.

"On the left front is the broadening out sweep of the allies' turning movement, while reaching further to the north, it is pressed out at a slightly
