

Judicial Government of Canada, and which fund was under the controul of the Commissioners of the Treasury, shall be placed under the controul of the Legislatures of Upper and Lower Canada respectively. The other empowers his Majesty to assent to certain laws and regulations, which are or may be made by the Canadian Legislatures, respecting the grant, descent, bargain, sale, &c. of Lands.

The House of Assembly *P. E. Island*, was prorogued on the 12th May. The L. Canada legislature in its last Session voted above £12,000 for purposes of education.

PRODUCE. *Nova Scotia*.—Flour, Pork, Oats and Potatoes, have appeared in the market, of good qualities, and in such quantities as to afford the pleasing hope that the Province may one day, and that not distant, be able to supply all its own wants.

The WEATHER, N. S.—Summer opens most favourably, alternate Sun and Rain have produced much vegetable beauty, and afford excellent promises of a luxuriant harvest.
